Coming to Terms: "A Mass Shooting Survivor's Reckoning with Vulnerability and Self-Protection" David Frankel,C.D. "Chuck" Michel,2025-07-07 Coming to Terms is a deeply personal and thought provoking memoir by David Frankel a survivor of the 1993 mass shooting at 101 California Street in San Francisco Frankel was in the building as several of his colleagues were killed nearby a traumatic experience that shaped the course of his life Initially turning to gun control advocacy in search of meaning and healing he later began to question whether that path truly addressed the deeper issues of vulnerability resilience and personal safety Co authored with constitutional law attorney C D Chuck Michel Coming to Terms traces Frankel s transformation as he wrestles with loss fear and the evolving meaning of self defense The book offers rare insight into one survivor s hard won understanding of empowerment and personal responsibility This is not just a story of trauma and recovery it s an invitation to rethink what it truly means to protect ourselves and those we love

Wyoming

Road Trip by the Mile Marker Brook Besser, 2010-03 NEW REVISED EDITION that simplifies the highway naming and adds a number of new features that make the book easier to understand and navigate Contact info nightblazebooks.com with any questions Please read this entire description and the notes at the end Yellowstone National Park is the focal point of Wyoming however there is so much more if you know where to look Hidden gems like badlands and petroglyphs can be found in the plains and valleys and with 15 mountain ranges over 9 000 ft Wyoming is hardly the boring prairie that many people envision Even where the plains seem unspectacular there is a rich history along pioneer trails that served as the gateway to the west throughout the 19th century This book identifies ALL of this and is simply a book you should not be without Most Wyoming travel guides are written to explore a specific subject or location but it would take a stack of books to cover the state for all subjects Think of these books as a mile wide and 100 miles deep This remarkable guide on the other hand has most everything in the entire state laid out by the highway mile markers so you will always know what is ahead and exactly how to get there This book covers National Parks and Monuments State Parks sightseeing camping picnicking hiking historical sites archaeological sites rest areas RV dumps and general points of interest The book has over 1900 entries so think of it as 100 miles wide and 10 miles deep enough information to get around but not an overload of information to wade through Without a book like this putting together a trip across the state requires a great commitment of time and effort The author knows this because he has done it many times In order to provide massive amounts of information into a book of reasonable size and cost first off the book it is not a pocket guide but instead is full A4 paper size measuring 8 3 x 11 7 x 0 5 inches If this was a pocket guide it would be well over a thousand pages Secondly the book is laid out in a clear and concise report style format The descriptions are brief and to the point and not filled with colorful adjectives Instead the book uses a simple 5 star Cool Rating to convey the author's opinion of the impressiveness of each attraction In addition the first two lines for each attraction provide the mileage GPS coordinates elevation which entity owns the land and a grid system that corresponds to the maps in the book or can locate the attraction on any map The detailed directions are also condensed to generally fit on a single line Just to put a final point on the amount of information in this book the index is extracted directly from the book itself and therefore is so comprehensive that it contains over 2 300 entries So don't think of whether you should buy this book or that book this book stands on its own or as the ultimate companion book to any other Wyoming travel book It will pay for itself many times over in time and fuel savings If you put it in perspective the price of the book is around what it costs to operate a vehicle for about 30 miles maybe 10 or 20 in a big RV pretty insignificant Complete coverage of Yellowstone National Park Grand Teton National Park Devils Tower National Monument Fossil Butte National Monument Bighorn Canyon National Recreation Area Fort Laramie National Historic Site Medicine Lodge State Archaeological Site Snowy Range Bighorn Mountains Wind River Mountains Sinks Canyon State Park Guernsey State Park Glendo State Park Keyhole State Park Green River Lakes Casper Mountain Park Jackson Hole and much more NOTES Because grayscale photos

never do justice to things of beauty the book contains no photos However dozens of color photos can be seen on the book website wyomingroadtripbythemilemarker.com The Angel by My Side Mike Lingenfelter, David Frei, 2002-09-01 Do your pet and yourself a favor Buy this book and when you re done reading it keep it in the medicine cabinet for the next time you need salve for your soul Marty Becker D V M veterinary contributor for Good Morning America chief veterinary correspondent for Amazon and author of The Healing Power of Pets It was 1994 and Mike Lingenfelter was ready for his life to be over Two serious heart attacks and open heart surgery had taken away most of the good things that he had in his life However his doctors still held out hope for him and they were trying to find ways to motivate him to get out of the house and exercise Their vision was that an energetic dog on a leash might do that for Mike And so it was that this golden retriever named Dakota who had been rescued from death himself came to help Mike with his rehabilitative therapy Eventually Dakota became Mike s protector and his best friend saving Mike s life several times after somehow learning how to alert Mike of oncoming heart crises Dakota gave Mike back his dignity his pride and his life Early on it became evident to Mike that this wonderful 98 pound red haired four legged angel had a special gift Dakota was a spirit guide and it was Mike s duty to share him and the power of the human animal bond Ultimately as part of that journey one more miracle was needed as Dakota fought a courageous and dignified battle for his own life Excavating Machinery Allen Boyer McDaniel, 1913 **The Spirit of 1889** Samuel Western, 2024-08-27 In August 1889 the five states that were once part of the 1861 Dakota Territory North Dakota South Dakota Wyoming Montana and Idaho drafted their state constitutions in preparation for inclusion in the United States These constitutions were models of progressive and pragmatic values for their time Wyoming for instance was the first state to grant women s suffrage In addition to suffrage delegates from these states banned child labor curbed the power of railroads and grain monopolies mandated state ownership of running water opened voting eligibility and created state owned banks These states the 89ers as Samuel Western calls them exhibited a spirit of commonweal inclusivity that set them apart Much has changed since and not for the better Today legislators in these five states have spurned these inclusive values Instead they promote the narrative of exclusion and lean toward authoritarianism Legislators restrict voting disenfranchise Native Americans limit protests squash public education and discourage immigration initiatives such as sanctuary cities In their current condition these states are in direct contradiction of the pragmatically inclusive and progressive values of their 1889 constitutions The 89ers today are driven by ideological objections to political autonomy stripping power from cities fueling partisanship and a rigid commitment to traditional commodity based industries Western sees hope for the future but only if these states replace their fidelity to a particular idea of rural America with a more pragmatic openness to diversity and change which will paradoxically bring them closer to the original spirit of their constitutions Western calls for a radical rethinking of what rural America is and could be As a long time resident in Wyoming he speaks not from the outside but as someone who personally cares about this region and its future prosperity The Spirit of

1889 aims to shed light on how these states have drifted so far from where they began and what might be done to reclaim those original values The Good Country Jon K. Lauck, 2022-11-21 At the center of American history is a hole a gap where some scholars indifference or disdain has too long stood in for the true story of the American Midwest A first ever chronicle of the Midwest s formative century The Good Country restores this American heartland to its central place in the nation s history Jon K Lauck the premier historian of the region puts midwestern squares center stage an unorthodox approach that leads to surprising conclusions The American Midwest in Lauck s cogent account was the most democratically advanced place in the world during the nineteenth century The Good Country describes a rich civic culture that prized education literature libraries and the arts developed a stable social order grounded in Victorian norms republican virtue and Christian teachings and generally put democratic ideals into practice to a greater extent than any nation to date The outbreak of the Civil War and the fight against the slaveholding South only deepened the Midwest s dedication to advancing a democratic culture and solidified its regional identity The good country was of course not the perfect country and Lauck devotes a chapter to the question of race in the Midwest finding early examples of overt racism but also discovering a steady march toward racial progress He also finds many instances of modest reforms enacted through the democratic process and designed to address particular social problems as well as significant advances for women who were active in civic affairs and took advantage of the Midwest s openness to women in higher education Lauck reaches his conclusions through a measured analysis that weighs historical achievements and injustices rejects the acrimonious tones of the culture wars and seeks a new historical discourse grounded in fair readings of the American past In a trying time of contested politics and culture his book locates a middle ground fittingly in the center of the country The Middle Missouri, a Rediscovery: a Study of the Outdoor Recreation Potential United States. Bureau of Outdoor Recreation, 1968 Circle Rainbows Mary Lee Powell-Pickard, 2015-01-23 Circle Rainbows is but one of the many God stories included in these personal memoirs The stories reveal Gods presence as He has provided his guidance protection and provision throughout the life of the author This book tells what it was like growing up in the hills of West Virginia living on a small farm with no electricity no motorized farm equipment and no water The farm horse pulled the plow and water came from a spring over the hill Entertainment on the farm was listening to a battery operated radio or listening to their mother read aloud to the family by the light of an oil lamp The book reveals the value of experiential learning and shows that with Gods help one can grow to overcome poverty become educated and go on to make a difference in the lives of many people Indigena Awry Annharte, 2012-11-30 NDN word warrior Marie Annharte Baker s fourth book of poems Indigena Awry is her largest and wildest yet It collects a decade s worth of verse fifty nine poems Set noticeably in Winnipeg and Vancouver but in many other places on either side of the Medicine Line as well the poems are a laser eyed meander through contested streets filled with racism classism and sexism Shot through with sex and violence and struggle and sadness and trauma her work is always set to detect and confront the

delusions of colonialism and its discontents These poems are informed by a sceptical spirituality They call for justice for NDNs through the Permanent Resistance that goes around in cities This is bruising and exacting stuff but Annharte is also one of poetry's best jokers In *Indigena Awry* you can find fictitious girl gangs coexisting with real boy ones NDN grannies may be found flirting salaciously in some internet chat room One might use duct tape to prevent a war You might be worried that hand signalling for a Timbit on an airplane flight will be considered a terrorist act Annharte may be seam walking a singular path but she is not without allies In the United States they could include Leslie Marmon Silko and Chrystos In Canada Beth Brant and Gerry Gilbert The jazz inflections of Beat writing are often apparent in her work She swings from a poetic madness into a mad poetics Way under it all acting as a deep sort of platform could be considered the Kenyan writer Ngugi wa Thiong'o's project of decolonizing one's mind Both sketch out an argument that we will not see feel or respond correctly in or to our own lives without doing this because otherwise we will be living within a philosophical myopia generated by a bad fiction While *Indigena Awry* is written for NDN persons it is highly recommended for truth seekers of every nature and anarchs of word and spirit In an Annharte poem you might lose your way only to find what's important

Road to Roma Ray Stoner, 2014-11-07 The Road to Roma is a novel about young American men and women who survived the poverty and lack of opportunity during the Great American depression and went on to serve our country during World War II It mainly centers on one soldier's journeys through battles in North Africa and Italy It also touches on another soldier's experiences in the battle of the bulge Family values and hard work help the characters survive this intensive period Religious beliefs and Midwestern work ethics also help them prevail The ability to endure personal tragedy volcanoes and battlefield carnage harden these young Americans for the tough road of life ahead **The Lost Boys of Sudan** Mark Bixler, 2006 In 2000 the United States began accepting 3 800 refugees from one of Africa's longest civil wars They were just some of the thousands of young men known as Lost Boys who had been orphaned or otherwise separated from their families in the chaos of a brutal conflict that has ravaged their home country of Sudan since 1983 This book focuses on four of these refugees Theirs however is a typical story one that repeated itself wherever the Lost Boys were found across America It is a story of the countless challenges of making it in a strange new place after years on the run in Sudan or in refugee camps in Kenya and Ethiopia As we immerse ourselves in the Lost Boys' daily lives we also get to know the social services professionals and volunteers celebrities community leaders and others who guided them with occasional detours toward self sufficiency Along the way the author looks closely at the ins and outs of U S refugee policy the politics of international aid the history of Sudan and the radical Islamist underpinnings of its government Dust jacket *Capturing the Younger Brothers Gang in the Northern Plains: The Untold Story of Heroic Teen Asle Sorbel* Arley Kenneth Fadness, 2022 Capturing the Younger Brothers Gang in the Northern Plains The Untold Story of Heroic Teen Asle Sorbel is a historic tale of vigilante valor Near sleepy Hanska slough September 21 1876 Norwegian teen Asle Sorbel made a daring Paul Revere ride into Madelia Minnesota His
