endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

Historical Dictionary of the Lesbian and Gay Liberation Movements JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality

Islamist Insurgents on the Defensive Dave Dilegge, 2018-02-28 This work is the fourth Small Wars Journal anthology focusing on radical Sunni Islamic terrorists and insurgent groups It covers this professional journals writings for 2016 and is a compliment to the earlier Global Radical Islamist Insurgency anthologies that were produced as Vol I 20072011 published in 2015 and Vol II 20122014 published in 2016 and Jihadi Terrorism Insurgency and the Islamic State spanning 2015 published in 2017 This anthology which offers well over six hundred pages of focused analysis follows the same general conceptual breakdown as the earlier works and is divided into two major thematic sections one focusing on al Qaeda and Islamic state activities in 2016 and the other focusing on US Allied policies and counterinsurgent strategies

Protests and Riots Michael V. Uschan, 2010-06-11 While no official constitution directly grants the right to protest it is an exercise that citizens of all nations are granted to express discontent Readers will evaluate this powerful tool its strengths and its weaknesses They will look at antigovernment events workers rights racial gender sexual orientation and war riots and protests Lastly they will evaluate urban unrest

Jack Nichols, Gay Pioneer Jeter Louis Campbell, 2007 One of the founders of the gay and lesbian liberation movement Jack Nichols was a warrior for gay equality Recounting his life and work Jack Nichols Gay Pioneer Have You Heard My Message skillfully weaves the story of a man a movement and a moment that shaped gay and lesbian history This powerful biography captures the wisdom passion and spirit of a prolific activist and inspirational human being who refused to be silent in a society that considered homosexuality to be sinful and criminal As a journalist activist and editor of the first gay weekly newspaper in the United States Jack Nichols left a legacy of gay rights gay pride and tremendous courage Covering episodes before and after Stonewall during the AIDS epidemic and beyond Jack Nichols Gay Pioneer charts the life of this pivotal figure from his childhood in the suburbs of Washington DC to his final impassioned days in a Florida cancer treatment center in 2005 This book also explores Nichols family history and its unique influence on his activist tendencies as well as his revolutionary relationship with Lige Clark and their status as the most famous homosexuals in America Thoughtful and moving Jack Nichols Gay Pioneer also includes the ideas Nichols used to bring the movement to critical mass and the sources that were influential to his work Some of the topics detailed in this book are the early influence of Burns and Whitman on the homosexual movement the integration of androgyny and anarchism into his activist philosophy his attack on the psychiatric establishment's theory of homosexuality as a sickness and his work and vision in men's liberation Jack Nichols Gay Pioneer Have You Heard My Message offers a compelling look at the man and the movement as well as a wealth of hard to find summaries on underground gay journalism detailed references personal

photographs and a complete bibliography of Nichols's major writings. This book is an indispensable resource for anyone interested in the history and future of LGBT movements as well as students, educators, and researchers seeking a comprehensive and thorough treatment of this revolutionary figure. Handbook of LGBT Issues in Community Mental Health Jack Drescher, Ronald Hellman, 2005-02-17. Take your knowledge of the mental health issues that affect LGBT people to the next level. The Handbook of LGBT Issues in Community Mental Health provides reliable up-to-date information on clinical issues, administrative practices, and health concerns related to the provision of public sector mental health services to LGBT people. The handbook presents clinical case material and describes various current clinical programs with details about how they were developed and fostered, as well as their unique role in the provision of mental health services to this population. Contributors share their experiences developing two of the largest public LGBT programs in the United States and offer practical strategies for developing LGBT mental health programming in any community. This single source brings together mental health clinicians, administrators, and advocates whose work involves public sector issues that concern the LGBT community. These seasoned experts provide in-depth information for those who need to know about the current state of mental health care in public psychiatry for LGBT individuals. The book also explores the professional and popular literature on the subject, providing a broad overview of the issues in this expanding clinical area. The Handbook of LGBT Issues in Community Mental Health contains five chapters that target policy, administrative, and programmatic issues, providing a neglected perspective for clinicians, program developers, administrators, advocates, and funders. In addition, you will find two case studies that vividly demonstrate the relevance of culturally appropriate services and highlight the reasons why services in this area are so sorely needed: a psychiatrist's recollections of the changes he faced while working in a homophobic environment within the Veterans Administration system; fascinating interviews with Francis Lu and Barbara Warren that probe the thoughts, experience, and opinions of these leaders in the development of public sector mental health programs for LGBT people; an examination of the role of gender identity in the treatment of a male-to-female transgender person with major mental illness. In the Handbook of LGBT Issues in Community Mental Health, you will also find practical information that shows how LGBT organizations in New York State organized to gain public funding for mental health and other human services, and how a new advocacy strategy that consolidated LGBT human service organizations into a statewide network was pioneered in that state; how mental health care for sexual minority teens was incorporated into the medical clinic setting at a major metropolitan hospital; how a culturally sensitive program for LGBT people with major mental illness was developed in New York State's largest community mental health center; how a small volunteer community health agency developed into a multi-million-dollar facility that provides comprehensive health care to New York City's LGBT community.
