Southern Nights and Secrets Robin Covington, 2016-09-19 Being a doctor is everything to me but I'm not going to let bureaucrats tell me how to practice medicine It's about saving lives no matter what screw them and their paperwork When the one woman I could never forget Ginger Crawford shows up as my boss all bets are off The heat between us is tough to ignore but I have to if I want a

future at this hospital It isn't easy Every time we argue I want her even more But I've got secrets she can never know and she's always going to be way too good for me So it's best if she hates me at least that's what I keep telling myself *Ice: a Southern Night's Dream* Anonymous,2022-12-07 Reprint of the original first published in 1871 **Hot Southern Nights** Gen Griffin, Trish Shallowman feels like her life has been put on pause She has an ex husband who doesn't understand the meaning of the word ex a career that tanked before she ever worked her first day and a car that breaks down on alternating Wednesdays When Trish's mother asks her to temporarily move to Possum Creek so she can take care of her ailing grandfather Trish figures that a change of scenery can't make her situation in life any worse She wasn't expecting to spend most of her days trying to prevent her grandfather from shooting at the mailman or that her impossibly gorgeous neighbor would decide he wanted to be her first ever one night stand She definitely wasn't expecting that two months in Possum Creek would make her question whether the future she's spent so much time waiting for is really the future she wants Haunted Echoes & Southern Nights Peter D.
