

I love you because I know you're always there...
there to catch me when I fall... there to listen
when I need you, there when I feel alone. I love
you because you understand me... you know how
I feel even when I can't say it... you know I'm not
as strong as I say and still you never let me know
that I'm not fooling you. I love you because you
make me believe, believe that I am not
worthless... believe that I can be loved, am loved,
and can love others. I love you because you
know, you know I feel this way but can't say it
and still you wait... letting me take my time to
come to terms with the fact that I love you...
would give my life up to be with you... and about
all... never hurt you... lie to you... or leave you.
Now I hope you understand.

Long Love:

The Long, Long Love Walter Sullivan, 1999 A Nashville man risks everything when his love for his family and a Confederate ancestor become an obsession *Two Love Stories: One Short...One Long* Joanne Hands, 2019-05-05 Two love stories one short one long that depict young love that progresses from innocence to murder and mayhem Both stories involve conflict confusion and mistakes Short Story Cheryl witness to a murder and under police protection during the trial becomes a roommate with David one of the assigned officers after the trial The situation becomes conflicted when David's girlfriend who does not live with him becomes upset about the living arrangement Long Story Carol a young aspiring journalist becomes involved with and married to Sam a popular journalist in New York City within a very short period of time They engage in a fast track relationship that results in a very quick marriage Shortly after the marriage Sam is assigned to cover a conflict in the Dominican Republic and is listed as missing and later found dead **Love'S Long Journey** Kathy Highley, 2016-08-31 Thirty years into a very long sentence Butch Cavanaugh sat stewing in his prison cell Numerous requests for parole had been denied Nonetheless Butch had thrived behind prison walls Hed developed a set of muscles that had nothing to do with his physique A power he had never experienced in the outside world made him a successful bully on the inside muscles that had afforded him favors and a measure of respect muscles that gave him confidence But the years had begun to take their toll and he had no desire to remain a prisoner for the rest of his life Pushing seventy he did not want to die in a cell with his throat cut Someone more clever and more persuasive waited to challenge his headship at the end of every decade As Long as We're in Love Lew Brown, 1926 **Love's Oneing** Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism Love's Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love's Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment **How Long Have You Been Standing Here, God?** Michael Jean Nystrom-Schut, 2005-05-24 TRILOGY BOOK TWO includes three books from my numerous writings Writing and philosophizing for so long now I am

pleased to get to do this while others simply can't take the time. In my journeys I don't know if I am getting closer to knowing anything and it seems the more I know the more I know I don't know. I suppose all we can be sure of is that as long as we are alive we have the opportunity to keep searching while continuing to delve into our minds and hearts for clues to greater meaning and purpose on earth. How long have you been standing here? God is the title of the book and it comes to you along with two others: *Evolution Facts* and *Fairy Tales* and *Amistad*. Spanish for friendship. All three were written with you, the reader and fellow life mate especially in mind. If you struggle with your personal spirituality and need greater awareness that God is on all sides of you, then maybe *How long have you been standing here? God Book One* will be helpful. If you are wondering about your origins, trying to figure out how it all came about, then perhaps *Evolution Facts* and *Fairy Tales Book Two* will make things even more confusing. During my time in Central America I have learned plenty about the concept of friendship and I mean that in the context of the whole of life. *Amistad Book Three* is a book about befriending the people, places and things that make up our lives.

Don't Stop Tyler Feller, 2024-06-04. What if you didn't give up? Doubt, hardship and failure keep too many people from pursuing the vast potential God has for them. They may settle for the mediocre when a life that's greater than anything they could imagine lies ahead. No matter what you've been through or what you've done, God invites you to join him on an adventure of a lifetime. Pastor Tyler Feller's 365 motivating devotions in *Don't Stop* will encourage you to identify the barriers holding you back, run toward your dreams with resilience, and embrace the fullness of God's plan and blessings. God hasn't given up on you or the dream he has placed in your heart. You shouldn't either.

A Night at the Opera Sir Denis Forman, 1998-09-01. Delightful and anti-reverential. Sunday Times London. With an encyclopedic knowledge of opera and a delightful dash of irreverence, Sir Denis Forman throws open the world of opera: its structure, composers, conductors and artists. In this hugely informative guide, *A Night at the Opera* dissects the eighty-three most popular operas recorded on compact disc, from Cilea's *Adriana Lecouvreur* to Mozart's *Die Zauberflöte*. For each opera, Sir Denis details the plot and cast of characters, awarding stars to parts that are worth looking out for, really good or occasionally stunning. He goes on to tell the history of each opera and its early reception. Finally, each work is graded from alpha to gamma, although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion: the first act of *Fidelio* is a bit of a mess, while the last scene of *Don Giovanni* towers above the comic finales of *Figaro* and *Così*, and whether or not it is Mozart's greatest opera, it is certainly his most powerful finale. The guide also presents brief biographies of the great composers, conductors and singers. A

glossary of musical terms is included as well as Operatica or the essential elements of opera from the proper place and style of the audience s applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come
