Look Back With Longing One Of The Clearharbour Trilogy:

Look Back with Longing Suzanne Morris,2005-10 When classically trained dancer Geneva Sterling auditions with British variety dancer Tony Selby in 1915 the magic they create is immediate How can anything stand in the way of these two gifted dancers bound for an illustrious career on the stage *Elizabeth's Legacy* Suzanne Morris,2006-08-17 even as she lifted her hands from her lap over the child s face spread a calculating look that was thoroughly unnerving for it was so like Jane Did you know my mother she asked her eyes veering away Geneva had a sickening sensation that Jane was reaching out from the grave Not really I met her once she said Elizabeth grew more alert Where Here at Brookhurst at a dinner party She thought of Jane s tidy figure in a pink chemise and silver slave bracelets her cold blue eyes and cruel mouth set in a pale flat complexion The saucy way she sat with feet tucked under her on the sofa in the drawing room the most formal chamber in the house A considerable pause A frown of concentration Then was this before she married my father Elizabeth asked slowly Yes Why Another pause So you knew my father before he married my mother Yes Geneva said She would have thought this obvious given that Emelye was Tony s child with her and was several months older than Elizabeth Then she realized it would be far beyond the ability of a child less than eight years old to piece that sort of information together Elizabeth pressed her bangs again ran her tongue over her lips Still avoiding looking at Geneva she asked Was my mother was she nice then

Clearharbour Suzanne Morris,2007-09-07 As Emelye opened the lap drawer of the desk the strong odor of ink and cedar wood long sealed up flooded her nostrils She was surprised to find Elizabeth had left behind the note paper engraved with her name and the silver blotter and letter opener that appeared in a package with her name on it under the Christmas tree one year Surely she didn t know even before she left that she was about to change her identity An image of Elizabeth walking down a train platform all alone carrying her small suitcase gripped Emelye suddenly Her eyes filled Oh Elizabeth why d you have to go away and become somebody else Clearharbour the final volume of the Clearharbour Trilogy carries the story of the Selby family into the third generation Having survived two world wars Geneva and Tony Selby and their children must come to terms with old secrets and unresolved issues that threaten to destroy the family Packed with compelling complicated characters and captivating imagery Clearharbour is a stunning finale to this beautiful and haunting trilogy
