

A close-up photograph of a marble sculpture, likely a classical Greek or Roman work. It depicts the head and upper torso of a woman. The head is turned slightly to the right, with a serene expression. The hair is styled in a bun or updo. The most prominent feature is the heavy, deeply carved drapery of a garment, possibly a chiton or himation, which falls in deep, rhythmic folds across the chest and shoulder. The marble has a warm, aged tone with some darker veining and a slightly weathered texture.
