Looking for Trouble Leslie Cockburn, 2013-07-31 News correspondent Leslie Cockburn has dined with the Cali Cartel, marched with the Khmer Rouge, hunted down the Black Turban in Afghanistan, pursued the Russian mafia to the Arctic Circle, shared pomegranate sauce with the Ayatollahs, and stopped a small Kurdish war, but she has never told these stories in a book until now. Cockburn was one of the first women to break into the tight fraternity of combat and third-world reportage when she began work at the London bureau of NBC News in 1976, where successful news gathering required unorthodox tactics, stamina, and for best results, a criminal mind. By the time she moved to CBS's 60 Minutes, Cockburn had interviewed Muammar Qaddafi and Margaret Thatcher, been arrested as a spy in Gambia, and effectively eliminated whatever doubts her colleagues might have had about a woman's ability to tackle the news business's most dangerous assignments. A mother of three who has made a career of breaking down barriers, Leslie Cockburn

has exposed the tobacco lobby in Washington and human rights violations in Cambodia and her impact on foreign and domestic policy has been as powerful as her impact on the rights and prerogatives of working women In an industry in which as late as 1973 women had to lobby to wear trousers to work Leslie Cockburn was determined to combine a strong family life with a strong professional life sacrificing neither With a cast of generals drug lords rock stars and kings LOOKING FOR TROUBLE is the incredible story of a career that has spanned the history making news events of the last two decades

Mexico is Missing and Other Stories J. David Stevens, 2006 What s America to do when one day Mexico suddenly disappears That question asked by the title story in Mexico Is Missing sets the tone for a collection whose individual stories have been described as provocative intensely relevant and wickedly macabre Thematically and formally diverse these pieces are unified by their devotion to the offbeat even insane moments of contemporary life A widow hears a voice from her computer that claims to be God An unnamed narrator develops an unhealthy fascination with his mailman Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President s golf game to well the President s penis anything is fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in Mexico Is Missing will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you re laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket
