Culture, Design, Spectacle and Capital in Istanbul** Dilek Özhan Koçak, Orhan Kemal Koçak, 2014-06-26 Whose City is That shows that Istanbul is produced not only by strong and systematic efforts corporate influences and or marketing activities but also by individual contributions and coincidences As such the primary purpose of this book is to find the answer of to whom Istanbul does belong presenting the reader with the richness of human experience and the practice of everyday life The chapters in this book are therefore focused on the physical and economic dimensions as well as the imaginary fictional and hyper real dimensions expressing the concern of bringing the real and imaginary borders of the city together The book provides an understanding that for each inhabitant there is another city another Istanbul Each person living in the city creates or lives in another city which is made of their own personal and particular experiences In addition the Istanbul the authors understand and describe turns into something different moment by moment which cannot be defined or identified because of its very nature as a megacity
