Anne Feder Lee

Major Problems In State Constitutional Revision:

Major Problems in State Constitutional Revision Pi Sigma Alpha. Committee on Publications, 1960 A distinguished group of political scientists presents essays detailing methods by which constitutional revisions may be effected

Major Problems in State Constitutional Revision William Brooke Graves, 1960

Major Problems in State Constitutional Revision Pi Sigma Alpha., 2003-01

A Perspective of Constitutional Revision in Kentucky Mary Helen Wilson, 1976

A Selective Bibliography on State Constitutional Revision Balfour Halévy, 1963

State Constitutions for the Twenty-first Century, Volumes 1, 2 & 3 G. Alan Tarr, Frank P. Grad, Robert F. Williams, 2007-06-01

State Constitutions for the Twenty first Century Volume 1 The Politics of State Constitutional Reform

State Constitutions for the Twenty first Century Volume 2 Drafting State Constitutions Revisions and Amendments

State Constitutions for the Twenty first Century Volume 3 The Agenda of State Constitutional Reform

State Constitutions for the Twenty-first Century, Volume 3 G. Alan Tarr, Robert F. Williams, 2012-02-01

This third and final volume in a series devoted to state constitutions analyzes how these documents address major constitutional issues such as the protection of rights voting and elections constitutional change the legislature the executive the judiciary taxing spending and borrowing local government education and the environment

Contributors identify the strengths and weaknesses of current state constitutions highlight the major issues confronting the states and assess various approaches for reform

The American State Constitutional Tradition John J. Dinan, 2006-04-14

For too long the American constitutional tradition has been defined solely by the U S Constitution drafted in 1787 Yet constitutional debates at the state level open a window on how Americans in different places and at different times have chosen to govern themselves From New Hampshire in 1776 to Louisiana in 1992 state constitutional conventions have served not only as instruments of democracy but also as forums for revising federal principles and institutions In *The American State Constitutional Tradition* John Dinan shows that state constitutions are much more than mere echoes of the federal document The first comprehensive study of all 114 state constitutional conventions for which there are recorded debates his book shows that state constitutional debates in many ways better reflect the accumulated wisdom of American constitution makers than do the more traditional studies of the federal constitution

Wielding extraordinary command over a mass of historical detail Dinan clarifies the alternatives considered by state constitution makers and the reasons for the adoption or rejection of various governing principles and institutions Among other things he shows that the states are nearly universal in their rejection of the rigid federal model of the constitutional amendment process favoring more flexible procedures for constitutional change they often grant citizens greater direct participation in law making they have debated and at times rejected the value of bicameralism and they have altered the veto powers of both the executive and judicial branches Dinan also shows that while the Founders favored a minimalist design and focused exclusively on protecting individuals from government action state constitution makers have often adopted more detailed constitutions sometimes specifying positive

rights that depend on government action for their enforcement Moreover unlike the federal constitution state constitutions often contain provisions dedicated to the formation of citizen character ranging from compulsory schooling to the regulation of gambling or liquor By integrating state constitution making with the federal constitutional tradition this path breaking work widens and deepens our understanding of the principles by which we've chosen to govern ourselves *Understanding State Constitutions* G. Alan Tarr, 2018-06-05 For many Americans the word constitution means just one thing the national Constitution According to a recent survey almost half do not know that individual states also have constitutions Scholars have also paid little attention to state constitutions favoring the apparently more dynamic and significant federal scene G Alan Tarr seeks to change that in this landmark book A leading authority on state legal issues he combines history law and political science to present a thorough and long needed account of the distinct and important role of state constitutions in American life Tarr shows that state constitutional politics are dominated by three crucial issues with little salience at the national level the distribution of power among groups and regions within states the scope of state and local governmental authority and the relation of the state to economic activity He explains how state constitutions differ from the national Constitution in treating not only matters of high principle but also such mundane subjects as ski trails and motor vehicle revenues He also explores why state constitutions unlike their federal counterpart have been so frequently amended and replaced Tarr concludes that the United States not only has a system of dual constitutionalism but also has dual constitutional cultures Powerfully argued and meticulously researched the book fills an important gap in political and legal studies and finally gives state constitutions the scholarly attention they richly deserve *State Constitutional Law*, 1990

Amending the Wisconsin Constitution Jim Schneider, Wisconsin. Legislature. Legislative Council, 1978 Major Problems in State Constitutional Revision Graves, 1960 **State Constitutions for the Twenty-first Century, Volume 2** Frank P. Grad, Robert F. Williams, 2006-06-01 Identifies problems reformers face in drafting or amending state constitutions

Status of Puerto Rico: Legal-constitutional factors in relation to the status of Puerto Rico United States-Puerto Rico Commission on the Status of Puerto Rico, 1966 *The Hawaii State Constitution* Anne Feder Lee, 2011 The Hawaii State Constitution provides an outstanding constitutional and historical account of the state's governing charter In addition to an overview of Hawaii's constitutional history it provides an in depth section by section analysis of the entire constitution detailing the many significant changes that have been made since its initial drafting This treatment along with a table of cases index and bibliography provides an unsurpassed reference guide for students scholars and practitioners of Hawaii's constitution Previously published by Greenwood this title has been brought back in to circulation by Oxford University Press with new verve Re printed with standardization of content organization in order to facilitate research across the series this title as with all titles in the series is set to join the dynamic revision cycle of The Oxford Commentaries on the State Constitutions of the United States The Oxford Commentaries on the State Constitutions of the United States is an important

series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state s constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents *Major problems in state constitutional revision*, ed Pi Sigma Alpha.. Committee on Publications, William Brooke Graves, The Law of American State Constitutions Robert F. Williams, Lawrence Friedman, 2023 The second edition of The Law of American State Constitutions provides complete coverage of the legal doctrines surrounding applying to and arising from American state constitutions and their judicial interpretation Drawing on examples from specific states Professors Williams and Friedman analyze the nature and function of state constitutions in contrast to the federal Constitution including rights separation of powers issues of interpretation and the processes for amendment and revision In this edition Williams and Friedman focus on recent developments including the state constitutional dimensions of same sex marriage and the reaction of state courts to U S Supreme Court decision making This edition of The Law of American State Constitutions remains an important analytical tool that explains the unique character and the range of interpretive approaches to these constitutions It covers the structure of state governments under state constitutions as well as the distribution of powers among the legislative executive and judicial branches Like the first edition this edition presents a complete picture of state constitutional law and the attributes and features that make this body of law so distinctive *Hearings, Reports and Prints of the Senate Committee on the Judiciary* United States. Congress. Senate. Committee on the Judiciary, **The New York State Constitution, Second Edition** Peter J. Galie, Christopher Bopst, 2012-05-24 The New York State Constitution is the first comprehensive analysis of the New York Constitution and its individual provisions In this fully updated new edition Peter J Galie and Christopher Bopst provide a brief constitutional history the full text of the current constitution with commentary on an article by article basis a bibliographic essay a table of cases and a full general index It provides ready access to material that will help scholars judges lawyers students and the general public to understand the historical background to the New York Constitution the intent of the framers and the evolution and current meaning of its provisions Those concerned about the current crises in state governments in general and New York in particular will find much helpful information on the role the constitution plays in enabling the state to respond more effectively to the problems of 21st century governance

The New York State Constitution, Second Edition Peter J. Galie, Christopher Bopst, 2012-06-01 This fully updated new edition of The New York State Constitution provides an outstanding constitutional and historical account of the state s governing charter In addition to an overview of New York s constitutional history it provides an in depth section by section

analysis of the entire constitution detailing the many significant changes that have been made since its initial drafting This treatment along with a table of cases index and bibliography provides an unsurpassed reference guide for students scholars and practitioners of New York s constitution The New York State Constitution provides ready access to material that will help scholars judges lawyers students and the general public to understand the historical background to the New York Constitution the intent of the framers and the evolution and current meaning of its provisions The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state s constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents
