Make 'Em Pay George Hayduke,1986-01-01 *Make 'Em Pay* George Hayduke,1986-10-01 A book of ultimate revenge techniques from a master trickster over 130 topics arranged alphabetically to find the appropriate dirty trick scheme or stunt for any special target **Battling the Inner Dummy** David L. Weiner,2013-01-29 From the sexcapades of Bill Clinton to

the unbelievable story of Hugh Grant and the prostitute from the 15 year old who weighs only 82 pounds but believes she is obese to the professor who screams profanities at other drivers in snarled traffic we wonder out loud What are they thinking What drives so many apparently normal intelligent people to act irrationally harming themselves and others According to Sigmund Freud such behavior may be caused by the id our built in mental invitation to everything from dangerous fun to horrendous acts of irrationality For popular psychology writer David Weiner id stands for Inner Dummy the part of the brain that we must come to understand if we are ever to know why we do foolish irrational and compulsive things Drawing on the groundbreaking theories of evolutionary psychology Battling the Inner Dummy localizes the source of our irrationality in the limbic id the most primitive part of our brain that endlessly thirsts for status sex territory nurturance and survival We become captured by these drives Weiner says By understanding our Inner Dummy we can avoid disasters in our own lives Along with sound advice from clinical psychiatrist Dr Gilbert Heffer on how to handle our own Inner Dummies with built in rewards and punishments Weiner brilliantly interweaves delightful imagined conversations with Freud and staffers at a mythical advertising agency who have been given the assignment of communicating the nature of the id's irrationalities to the general public e.g. t-shirts that say Would someone please fix my Inner Dummy before I fall in love with another idiot and a bathroom scale that allows you to weigh eight pounds less each time you use it This inviting humorous romp with Inner Dummies who have made the news illustrates how we can apply ID prevention in our daily lives and includes all the major strategies science and medicine have developed over the years to counter Inner Dummies that threaten our well being See how well you're handling your own inner dummy by taking the quizzes at www.innerdummy.com

The Languages of Humor Arie Sover,2018-09-20 Why are things funny How has humor changed over the centuries How can humor be a political force Featuring expert authors from across the globe The Languages of Humor discusses three main types of humour verbal visual and physical Despite the differences between them all have a common purpose showing us in different ways the reality that we live in and how we can reflect on that reality To this end the book shows how humor has been used to address such topics as the Holocaust and the Soviet Union and why it has been controversial in cases including Charlie Hebdo The Languages of Humor explores a subject that is of interest in a wide range of intellectual disciplines including sociology psychology communication philosophy history social sciences linguistics computer science literature theatre education and cultural studies This volume features contributions from world leading academics some of who have professional backgrounds in this field This unique research led book which includes over 20 illustrations offers a top down
