Whetstone, 2002-07-01 The confident smile the firm handshake the air of assurance You've practiced them all You've trained yourself to keep it together to never let your guard down If only you could control your heart and mind the same way From all outward appearances no one would suspect that you are trembling inside Your fear is your darkest secret So many times you've tried to talk yourself out of the terror that gnaws deep inside at you but it hasn't worked You're riddled with tension and guilt You try to move forward but unseen fears lurk around every corner causing you to imagine the worst You're frozen in your tracks held captive by fear Life doesn't have to be this way You can live in confidence and peace Using time-tested biblical principles you can conquer your fears and walk in freedom Discover with Dr Gary Whetstone how you can Make Fear Bow today The Art of Making Selfbows Stim Wilcox, 2009-06 This book is meant to be understandable and fun to use The topics range from the beginnings to the end cutting and curing wood through building a selfbow of almost any type and finishing it Selfbows are wooden bows with no laminations in the limbs Both beginners and advanced bowyers should find the book usable and worthwhile There are extensive descriptions and directions throughout supported by over 200 individual color illustrations Besides the how-to directions there are sections on heat bending splicing billets shaping handles and treating problems like knots cracks etc Several other useful topics are addressed such as suggestions on how to make a bow with only a few measurements reduce hand shock eliminate stack stabilize arrow flight shoot where you look and increase arrow speed **Bow Bells**, 1867 School of the Miraculous Study Guide Kynan Bridges, 2020-07-14 Demystifying Miracles What if you could experience something miraculous every day Many Christians think of miracles as rare events for a select and fortunate few But miracles don't have to be something mysterious and out of reach They don't have to be the exception Just as they were common in the early church they can become common for you School of the Miraculous Study Guide based on Dr Kynan Bridges School of the Miraculous can help every believer develop a miracle mindset operate in miracles and establish a lifestyle in which miraculous events occur Dr Bridges has encountered many believers who are frustrated because they are not seeing evidence of God's power in their circumstances They have a growing desperation for more of His intervention in their lives This book was designed to answer that cry for more The Holy Spirit is the Miracle Worker but most miracles involve human participation in some way Dr Bridges reveals that our growing intimacy with God's Spirit will lead us to see and participate in His miracles living in His power and setting our expectations increasingly higher for His miraculous works in our lives This practical study guide suitable for individual or group study is filled with ideas for personal application and spiritual activation prayers for tapping into the miraculous Enroll in the School of the Miraculous today **Rooted in His Love** Nancy Chase, 2012-06 God put it on my heart to write a book about prayer This came as a complete surprise to me since I have never thought of myself as a writer Actually God has put a couple of book ideas in my heart over the last ten years or so and I have rejected them because

I was clueless as to where to start Besides that I wasn't crazy about subjecting myself to public criticism God didn't say why He wanted me to write this book but I got the impression that I should not reject His request again So here you have it I hope with all my heart that through reading this book you will be able to draw closer to God as your First Love and your most trusted confidant Talk to Him throughout the day as if your best friend was right there at your side Run to His arms when you need help or protection Love Him with all of your heart Sink your roots into Him and never let go I was born and raised on the East Coast and spent most of my adult life in the Mountain States Now I am semi retired and living in Panama with my sweet husband We spend our days learning Spanish helping people and telling them about the love of Jesus 22 years ago I asked Jesus Christ to be Lord of my life Soon after that I was diagnosed with cancer and clung to the Lord for dear life After four bouts of cancer and many ups and downs we are closer now than ever My Lord has never abandoned me To those who say that they don't want to give up their lifestyle to become a Christian I say Oh honey you don't know what you are missing My life has never been more full or more fun
