Make Room For Daddy:

Make Room for Danny Danny Thomas,D M Thomas,1992 The late Danny Thomas recounts his fantastic life and career in this touching memoir From his poverty stricken boyhood to his incredible rise to fame from his friendships with the giants of the entertainment world to his unselfish work for the St Jude s Children s Research Hospital here is a warmhearted look at one of the world s great storytellers Associated Press 16 pages of photographs **Make Room for TV** Lynn

Spigel,2013-11-26 Between 1948 and 1955 nearly two thirds of all American families bought a television set and a revolution in social life and popular culture was launched In this fascinating book Lynn Spigel chronicles the enormous impact of television in the formative years of the new medium how over the course of a single decade television became an intimate part of everyday life What did Americans expect from it What effects did the new daily ritual of watching television have on children Was television welcomed as an unprecedented window on the world or as a one eyed monster that would disrupt households and corrupt children Drawing on an ambitious array of unconventional sources from sitcom scripts to articles and advertisements in women s magazines Spigel offers the fullest available account of the popular response to television in the postwar years She chronicles the role of television as a focus for evolving debates on issues ranging from the ideal of the perfect family and changes in women s role within the household to new uses of domestic space The arrival of television did more than turn the living room into a private theater it offered a national stage on which to play out and resolve conflicts about the way Americans should live Spigel chronicles this lively and contentious debate as it took place in the popular media Of particular interest is her treatment of the way in which the phenomenon of television itself was constantly deliberated from how programs should be watched to where the set was placed to whether Mom Dad or kids should control the dial **Make Room for TV** combines a powerful analysis of the growth of electronic culture with a nuanced social history of family life in postwar America offering a provocative glimpse of the way television became the mirror of so many of America s hopes and fears and dreams

X Child Stars Kathy Garver,Fred Ascher,2016-04-15 This enlightening book is the go to guide for fans for biographical information rare photos and interesting trivia about their favorite child stars shows series networks and the times that defined the shows Spanning forty years of television history this book details both the success stories and misfortunes of many child stars Included in this book are the stories of Anissa Jones Buffy on Family Affair who tragically died from a drug overdose at the age of eighteen as well as Ron Howard who starred in both The Andy Griffith Show and Happy Days and who later became an Academy Award winning director A child star herself Kathy Garver profiles these and other legends of classic television in a book that will answer the question Where are they now **Encyclopedia of**

Television Shows, 1925 through 2010, 2d ed. Vincent Terrace,2014-01-10 This fully updated and expanded edition covers over 10 200 programs making it the most comprehensive documentation of television programs ever published In addition to covering the standard network and cable entertainment genres the book also covers programs generally not covered

elsewhere in print or even online including Internet series aired and unaired pilot films erotic series gay and lesbian series risque cartoons and experimental programs from 1925 through 1945 **Billboard** ,1955-10-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1956-08-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Emmy Award Winning Nighttime Television Shows, 1948-2004 Wesley Hyatt,2015-09-11 Since the early days of television well before most households had a set the Academy of Television Arts and Sciences has been handing out honors for the industry s best efforts Now fans can read about their favorites and perhaps rediscover some forgotten pleasures in this reference to prime time and nighttime Emmy winners Beginning with the heated charade contest known as Pantomime Quiz which won Most Popular Program of 1948 in the first Emmy Awards ceremony held in 1949 each of more than 100 winning shows gets star treatment with an entry that includes the year of award or awards air times hosts guests casts and a full discussion of the show s history and run Many of the entries include original interviews with cast or crew members With such rich information each show s entry constitutes a chapter in the history of television through the story of the show and the people who made it happen The best of variety drama game shows comedies adventures and many more categories are featured An appendix offers interesting facts and figures and ranks shows according to such statistics as longest run longest delay from debut to win and most Emmys won **From Small Screen to Vinyl** Bob Leszczak,2015-06-25 From its infancy television networks and studios explore others avenues to increase their revenues Conveniently enough several film studios and production companies MGM MTM Columbia Screen Gems Talent Associates Warner Brothers had their own record label divisions The obvious benefit was cross promotion a television series could be plugged on the record and the record could be promoted on the TV show Though few and far between several television performers went on to become major recording stars Ricky Nelson started as a child actor on The Adventures of Ozzie and Harriet before dominating rock and pop charts Johnny Crawford of The Rifleman Walter Brennan of The Real McCoys and even Bruce Willis of Moonlighting all scored Top Ten hit singles But these were just the standouts from the hundreds of TV actors who recorded songs and the stories behind their records are simply fascinating In From Small Screen to Vinyl A Guide to TV Stars Who Made Records 1950 2000 author Bob Leszczak offers a look at hundreds of stars who performed double duty as a television performer as well as a recording artist He looks not only at the show and the performer but the behind the scenes dramas that unfolded as each attempted to tackle the two different mediums Through his interviews with many of these multitaskers the author has uncovered new and mostly never before known facts about those who sought to conquer

the world of vinyl As Leszczak stresses most eagerly embraced the opportunity to record while others saw it as a necessary evil the result of contractual obligations or industry pressures Entries are listed alphabetically from Nick Adams of The Rebel to Efrem Zimbalist Jr of 77 Sunset Strip Also included are over 80 photos of these rare releases taken from the author s private collection For a new look at your old favorites From Small Screen to Vinyl will let you see that just because one is a TV star does not mean that he or she does not have the ability to expand beyond their acting prowess Baby boomers fans of classic hits radio and devotees of classic TV programs will find From Small Screen to Vinyl a treasure trove of TV and record trivia and no TV or music library can be considered complete without it **Billboard** ,1954-07-31 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,1956-06-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Single Season Sitcoms, 1948-1979** Bob Leszczak,2012-11-16 This book finally casts a spotlight on some short lived and almost forgotten sitcoms those which aired for only one single season Many books have already been written about situation comedies that enjoyed long and storied runs on television but this volume focuses upon the others Overflowing with fresh facts interviews photographs and stories nearly 300 short lived sitcoms over a 32 year span are presented A to Z whether network or syndicated prime time or Saturday morning **Analyzing Mad Men** Scott F. Stoddart,2011-08-12 AMC s episodic drama Mad Men has become a cultural phenomenon detailing America s preoccupation with commercialism and image in the Camelot of 1960s Kennedy era America while self consciously exploring current preoccupations The 12 critical essays in this collection offer a broad interdisciplinary approach to this highly relevant television show examining Mad Men as a cultural barometer for contemporary concerns with consumerism capitalism and sexism Topics include New Historicist parallels between the 1960s and the present day psychoanalytical approaches to the show the self as commodity and the Age of Camelot as an Age of Anxiety among others A detailed cast list and episode guide are included Instructors considering this book for use in a course may request an examination copy here **Danny Thomas Show, The (a.k.a. Make Room for Daddy)** ,2013 Description TV Still Programme **Arab Routes** Sarah M.A. Gualtieri,2023-05-25 This ingenious study will transform how we conceptualize immigration race gender and the histories and boundaries of Arab and Latin America Nadine Naber author of Arab America Los Angeles is home to the largest population of people of Middle Eastern origin and descent in the United States Since the late nineteenth century Syrian and Lebanese migration to Southern California has been intimately connected to and through Latin America Arab Routes uncovers the stories of this Syrian American community one both Arabized and Latinized to reveal important cross border

and multiethnic solidarities in Syrian California Sarah M A Gualtieri reconstructs the early Syrian connections through California Texas Mexico and Lebanon She reveals the Syrian interests in the defense of the Mexican American teens charged in the 1942 Sleepy Lagoon murder in actor Danny Thomas s rise to prominence in LA s Syrian cultural festivals and in more recent activities of the grandchildren of immigrants to reclaim a sense of Arabness Gualtieri reinscribes Syrians into Southern California history through her examination of powerful images and texts augmented with interviews with descendants of immigrants Telling the story of how Syrians helped forge a global Los Angeles Arab Routes counters a long held stereotype of Arabs as outsiders and underscores their longstanding place in American culture and in interethnic coalitions past and present

The Waltons Mike Chopra-Gant,2013-04-16 The period in which The Waltons appeared on television screens was socially and politically volatile a testing time in which Americans grappled with stagflation rising oil prices defeat in Vietnam political corruption at the highest levels and the aftermath of the seismic political shifts that originated in the countercultural movements of the preceding decade In this fascinating book Mike Chopra Gant demonstrates how the Waltons offered 1970s America a reassuring vision of itself at this turbulent time and displayed a nostalgic desire for a return to traditional conservative and paternalistic family values in the face of the shifts taking place in society He examines its deployment of key myths of Americanness and positions the vision of family life offered by the show in the context of changing images of the family on television from the conformity of the 1950s family in shows like Father Knows Best through the strange families of the 1960s such as The Munsters and The Addams Family and through to contemporary representations exemplified by the dysfunctional families of The Simpsons Family Guy and American Dad He also explores the show s representations of masculinity through three generations of men and its ambiguous depiction of strong women whose demands for equality are met by apparent concessions that actually amount to a regressive restoration of female domesticity

American Fatherhood Lawrence R. Samuel,2015-11-05 American Fatherhood A Cultural History traces changes in what it means to be a dad in America from the 1960s through today The book begins with an overview of fatherhood in America from the founding fathers through the 1950s and progresses to the role of fathers as they were encouraged to move beyond being simply providers to becoming more engaged parents navigating complex and changing gender and family expectations By tracing the story of fatherhood in the United States over the course of the last half century American Fatherhood reveals key insights that add to our understanding of American culture The book argues that for most of the twentieth century male parents were urged to embrace the values and techniques of motherhood In recent years however fathers have rejected this model in place of one that affirms and even celebrates their maleness and their relationships with their children After decades of attempting to adopt the parenting styles of women in other words men have finally forged a form of child raising that is truer to themselves In short fatherhood has become a means of asserting rather than denying or suppressing masculinity an original and

counterintuitive argument that makes us rethink the idea and practice of being a dad today **A Womb with a View** Laura Tropp,2013-01-09 Through history interviews anecdotes and popular culture this book examines pregnancy from all angles covering changing expectations for pregnancy new definitions of when fatherhood begins the implications of new earlier connections to the fetus and the political economic and social consequences to the public In the 21st century pregnancy is more than a biological event it s a cultural phenomenon A Womb with a View America s Growing Public Interest in Pregnancy addresses how media influence and changes in society have exposed and commoditized pregnancy like never before while technology has enabled us to share record and preserve all aspects of the pregnancy experience Each chapter of the book focuses on an aspect of the pregnancy experience including efforts to peer in and bond with the fetus the various ways of obtaining advice the evolving role of expectant fathers how pregnancy is depicted and treated in popular culture and branding and marketing to pregnant couples Interviews with those marketing products and services to pregnant women reveal how pregnancy is now big business while real life stories from pregnant women and images from television and film serve to illustrate our culture s fascination with pregnancy **Brought to Bed** Judith Walzer Leavitt,2016-11-01 This classic work reveals how childbirth has changed from colonial times to the present including a new preface that discusses writings on the subject over the past three decades **Encyclopedia of Television Series, Pilots and Specials** Vincent Terrace,1986

Make Room For Daddy Introduction

In today's digital age, the availability of Make Room For Daddy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Make Room For Daddy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Make Room For Daddy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Make Room For Daddy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Make Room For Daddy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Make Room For Daddy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Make Room For Daddy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Make Room For Daddy books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Make Room For Daddy books and manuals for download and embark on your journey of knowledge?
