Make The Team The Art Of Self Recruiting:

Make the Team Avi Rafael Stopper,2004 **Mastering the Art of Recruiting** Michael Travis,2015-01-16 A priceless resource for seasoned as well as first time executives this is the playbook that explains how to recruit better people and build stronger more effective teams Executives are highly motivated to get better at hiring because they know the ability to consistently identify and recruit the right people is critical to the success of their businesses and their personal advancement But hiring people isn't taught in business schools or executive development programs This book provides the sorely needed and essential practical instruction that executives are not receiving elsewhere supplying a step by step guide for those who want to excel at attracting and identifying talent Covering everything from the basics of defining a job to the intricacies of managing internal politics this no nonsense book provides a clear roadmap through the often daunting and pitfall laden recruiting process In addition to explaining how to get it right the book provides the information and guidance readers need to identify and fix the most common problems that doom hiring efforts to failure Debunking the idea that some people are just great recruiters and some aren't the author clearly identifies the steps that anyone can take in order to master the art and science of recruiting Recruiter Journal ,2011 *Recruiting News* ,1935 **U.S. Army Recruiting News** United States.
