supplemented But how shall this be done Converging Destinies proposes an eschatological vision and practical suggestions to summon Jews and Christians to prepare for that day when each will be both commended and reproved by the judge of all sounding a call for more determined action greater humility and cooperative effort as together Jews and Christians serve the mission of God accountable to him for how they have served him and each other in the world that he has created according to his will *One Faith* James Innell Packer, Thomas C. Oden, 2004 Jesus Christ promised a unity for his church Are there now clear evidences of that within evangelicalism Or are evangelicals fragmenting into ever smaller divisions Renowned theologians J I Packer and Thomas C Oden make the case that there is a significant theological consensus holding the evangelical church together With copious citations from statements produced since 1950 that are widely representative of international evangelical faith Packer and Oden let these witnesses speak for themselves Packer and Oden survey several key documents of evangelicalism particularly the Lausanne Covenant 1974 the Manila Manifesto 1989 The Gospel of Jesus Christ An Evangelical Celebration 1999 and The Amsterdam Declaration 2000 Charting sixteen different theological themes they also include references to numerous documents produced by evangelical theological seminaries and societies mission agencies parachurch organizations and assorted special convocations More than informational *One Faith* arises out of the hope that it may not only edify the evangelical church but also provide a potential foundation for a new ecumenism that gives glory to the God of our Lord Jesus Christ according to the good news of his gospel **Roots and Remedies of the**

Dependency Syndrome in World Missions Robert Reese, 2010-06-17 The Christian movement is entering a new postcolonial era with centers of the faith on all continents American Christians have often felt uniquely qualified to lead this growing movement because of a long history of sending missionaries and funding mission projects Yet something is hampering the relationship between Western and non Western churches preventing the dynamic synergism that Christians might expect *Roots and Remedies of the Dependency Syndrome in World Missions* Robert Reese identifies this hindrance as the Dependency Syndrome a relic of colonial mission methods With three decades of experience in Zimbabwe Reese explains the roots of dependency and how this continues to cloud the vision of many well meaning Western Christians He documents the tragic results of relying too much on foreign ideas institutions personnel and funding that sideline non Western churches from fulfilling the Great Commission Reese addresses remedies for dependency examining healthy mission models tried and tested since the days of the apostle Paul From issues that arise from globalization to best mission practices in the twenty first century *Roots and Remedies* aims to achieve what most Christians are seeking but find elusive how all parts of the diverse Body of Christ around the world can cooperate productively to bring Christ where He is not now known without creating dependency *The Shortfall* Christopher J. H. Wright, James Cousins, John Stott, 2021-01-31 Inadequate funding remains one of the most significant challenges facing Christian ministries around the world Yet who bears responsibility for this deficiency Chris Wright in conversation with James Cousins challenges Christians to recognize that the problem of

insufficient funding does not belong to those experiencing the shortfall but to those entrusted by God with the means to alleviate it Combining John Stott s *The Grace of Giving* and Chris Wright s *The Gift of Accountability* two classics on generosity and financial integrity along with a brand new reflection this book encourages readers to think critically about the problem itself Together these three works form a powerful treatise on Christian generosity stewardship and financial responsibility questioning and transforming long held beliefs around Christian giving *The Shortfall* serves as a reminder that our resources belong to God and we will be held accountable for how we choose to steward them
