Koester, 2021-09-27 What does conversion look like for children and youth How do we teach them that conversion is a way of life that requires daily commitment These questions are even more pressing today than they were in 1988 when the Rite of Christian Initiation of Adults with adaptations for children was issued In *Children and Youth in the Catechumenate* Anne Koester shows catechumenate ministers how to immerse young seekers into an apprenticeship in Christian life By using the liturgy of the church and the liturgy of life she demonstrates the four integral dimensions of Christian discipleship that form young believers for mission **Your Parish is the Curriculum** Diana Macalintal, 2018 This book proposes that rather than hoping that volunteers will step forward to welcome prospective members of the Church the seekers should be as involved as possible in parish life

Content for RCIA Formation explores the nine core teachings of the church that make up this first proclamation Readers will become catechists and evangelists equipped to bring healing to those around them by learning how to shift from making name only Catholics to making Catholic disciples the first thing we have to say to seekers a thoroughly Catholic understanding of evangelization how what we teach and the way we teach heals the suffering of the world and the wounds of the seekers Pope Francis's solution to what he sees as an urgent crisis in the world the true vocation of a catechist and how to live it out why only nine core teachings of the church should be the consistent focus of our catechesis how the nine core teachings of the church tell the great story of our salvation This book will radically change the way you think about RCIA formation and the task of evangelization *Children's Books in Print* R R Bowker Publishing, Bowker, 1999-12 *Forming Intentional Disciples* Sherry A. Weddell Foreword by Bishop Philip A. Egan, 2022-08-12 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples As we emerge from a pandemic into a post Christian world these are times of immense challenge and enormous opportunity for the Catholic Church in the United States Consider these statistics Fully 10 percent of all adults in America are ex Catholics Nearly three quarters of young Catholics think that they could be a good Catholic without going to Mass every Sunday Catholic marriages have declined by almost two thirds since 1969 even as the number of Catholics in the United States has grown significantly Only one third of Catholics believe that the bread and wine actually become the Body and Blood of Jesus Christ at the consecration during Mass If the Church is to reverse these trends the evangelizers must first be evangelized In other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him Ten years after it was first published *Forming Intentional Disciples* is still helping scores of Church leaders parish staff and all Catholics transform parish life from within World renowned author and speaker Sherry Weddell leads you through the steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world
