

Knowing God and Making God Known

“ Knowledge is important, but it is not the end. Knowing, John urges us, informs action: “let us love, not in word or speech, but in truth and action.” We come to know God as love, as light, as indwelling presence so that we may be transformed, and so that we may be love and light and presence for others. ”

Making God Known Offering The Gift Of Life:

Making God Known Sherman, 1999-12 The Christian Growth Study Series takes small group members into a process of growing in their relationships with the Lord as well as integrating that into their everyday lives no matter what their age occupation or calling 6 SESSIONS **Gentleness** Phyllis J. Le Peau, 2001 This best selling and award winning Bible study series has been completely updated and revised for the new millennium This volume helps readers learn how to persuade rather than force be self giving rather than self assertive offer a kind word rather than defensive remarks and discover the strength to be tender 6 SESSIONS **Making God Known** Nico Van Zyl, 2019-10-09 Making God known is a privilege and responsibility for those who know God It would be impossible to make God known if you don't know Him In this book I lay out the foundations for making God known or what we call evangelism This book is about knowing the character of God in what we call the moral law and making known the good news of God through Jesus Christ We find out who we are when we know God and when we know God redemptively we become equipped to make Him known **Fullness of Life and Justice for All** Thomas Eggensperger, Ulrich Engel, Manuela Kalsky, Ellen Van Stichel, 2020-09-01 Poverty inequality violent conflicts climate change migration racism burn out are just a few of the symptoms showing how living life to the fullest is out of reach for so many people in our world Is then seeking fullness of life and justice for all not a too ambitious project For nothing less than the wellbeing of humanity and in extension the whole of creation is at stake On the other hand we see people responding acting and struggling for justice liberation and a more sustainable world How to make sense of the ideas of fullness of life and justice for all in light of the many crises humanity currently faces but also the glimpses of positive and hopeful responses Even more so how to make sense theologically In this volume twenty authors reflect on how the notions of fullness of life and justice for all are theoretically conceived and have practically taken form from within Dominican theology and spirituality The contributions on youth spirituality contemplation art as a means to community building gender pluralization populism and management discuss the fullness of life in both its material and spiritual dimensions The question on justice for all is raised in confrontation with issues such as poverty migration ecological threats and the role of virtues in society In this way the book aims to uncover a variety of Dominican perspectives as valuable contributions to a broader dialogue on the fullness of life and justice for all **From Here to Eternity: Reflections on Death, Immortality, and the Resurrection of the Body** Randall B. Smith, 2023-01-27 Throughout history and across cultures people have shared the hope and the belief that somehow something about the human person survives death Indeed it seems that without a notion of life after death this life would seem meaningless If in the end everything we have strived for and all our love comes to naught and is simply swallowed up by nothingness then what was the point of it all In *From Here to Eternity* Randall Smith shows how the Christian doctrines regarding the resurrection of the body and the communion of saints provide an understanding of life after death as a meaningful fulfillment of this life not a negation of it **Devotions for a Sensational Life** Patsy

Clairmont,2002-04-30 I have come that they may have life and that they may have it more abundantly John 10 10 NKJV Too many lives are characterized by boredom or even hopelessness But God has given us everything necessary to live the abundant life for which we were designed His love is boundless His grace is extravagant and His joy is outrageous Because of this we can experience a life that is sensational regardless of our circumstances This encouraging devotional featuring such writers as Sheila Walsh Thelma Wells Barbara Johnson Becky Tirabassi Joni Eareckson Tada Liz Curtis Higgs and many more reminds women that God meets them where they are providing the grace and strength needed to not only survive life but to live it abundantly **Knowing Christ** David R. Tomlinson,2020-09-15 The Eucharist is the central act of worship for many Christians This accessible introduction will deepen the understanding and enrich the experience of all who partake

Liturgical Theology Simon Chan,2009-09-20 Bad worship produces bad theology and bad theology produces an unhealthy church In Liturgical Theology Simon Chan issues a call to evangelicals to develop a mature theology of the church an ecclesiology that is grounded in the church s identity as a worshiping community Evangelicals he argues are confused about the meaning and purpose of the church in part because they have an inadequate understanding of Christian worship As a remedy for this ailment Chan presents a coherent theology of the church that pays particular attention to the liturgical practices that have constituted Christian worship throughout the centuries With a seasoned eye and steady hand he guides the reader through these practices and unpacks their significance for theology spirituality and the renewal of evangelicalism in the postmodern era Chan s proposal advances the conversation among evangelicals regarding the relationship between theology and worship In contrast to some theologians who have tended to emphasize a sociological analysis Chan argues that we need to consider what is essential to the church s theological identity Drawing on the larger Christian tradition Chan argues that we discover that identity primarily in the structure and significance of Christian worship *The Theology of Food* Angel F. Méndez-Montoya,2012-04-23 The links between religion and food have been known for centuries and yet we rarely examine or understand the nature of the relationship between food and spirituality or food and sin Drawing on literature politics and philosophy as well as theology this book unlocks the role food has played within religious tradition A fascinating book tracing the centuries old links between theology and food showing religion in a new and intriguing light Draws on examples from different religions the significance of the apple in the Christian Bible and the eating of bread as the body of Christ the eating and fasting around Ramadan for Muslims and how the dietary laws of Judaism are designed to create an awareness of living in the time and space of the Torah Explores ideas from the fields of literature politics and philosophy as well as theology Takes seriously the idea that food matters and that the many aspects of eating table fellowship culinary traditions the aesthetic ethical and political dimensions of food are important and complex and throw light on both religion and our relationship to food Participating in Abundant Life Mark R. Teasdale,2022-04-12 Though we know that God cares about people s lives both in this world and eternity it can be hard to communicate the full picture of holistic

salvation Mark Teasdale invites us to both participate in and share Jesus promise of abundant life connecting biblical perspectives of salvation and discipleship to contemporary concepts of well being and the common good **Signs and Shadows** Francis J. Moloney, 2004-08-09 Moloney offers a close reading of the crucial middle section of the Gospel of John taking the reader on a journey as Jesus ministry unfolds Among events dealt with are Jesus walk on the Sea of Galilee the description of the Good Shepherd and the resurrection of Lazarus The present volume represents the continuation of Moloney s ongoing narrative commentary on the Gospel a sequel to his earlier **Belief in the Word** which focused on chapters 1-4

Work of Love Leonard J. DeLorenzo, 2017-02-02 The saints are good company They are the heroes of the faith who blazed new and creative paths to holiness they are the witnesses whose testimonies echo throughout the ages in the memory of the Church Most Christians and particularly Catholics are likely to have their own favorite saints those who inspire and speak to believers as they pray and struggle through the challenges of their own lives Leonard DeLorenzo s book addresses the idea of the communion of saints rather than individual saints with the conviction that what makes the saints holy and what forms them into a communion is one and the same Work of Love investigates the issue of communication within the *communio sanctorum* and the fullness of Christian hope in the face of the meaning or meaninglessness of death In an effort to revitalize a theological topic that for much of Catholic history has been an indelible part of the Catholic imaginary DeLorenzo invokes the ideas of not only many theological figures Rahner Ratzinger Balthasar and de Lubac among others but also historians philosophers notably Heidegger and Nietzsche and literary figures Rilke and Dante to create a rich tableau By working across several disciplines DeLorenzo argues for a vigorous renewal in the Christian imagination of the theological concept of the communion of saints He concludes that the embodied witness of the saints themselves as well as the liturgical and devotional movements of the Church at prayer testifies to the central importance of the communion of saints as the eschatological hope and fulfillment of the promises of Christ

The Usefulness of Scripture Daniel Castelo, Sara M. Koenig, David R. Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978 Now forty years later and in celebration of his seventieth birthday colleagues and former students have gathered to produce this volume in honor of their friend and teacher The results are sure to delight all of those who have studied under or been friends of Professor Wall The essays are grouped under two general themes theology and methodology with an emphasis on Wesleyan biblical hermeneutics canonical perspectives and the implications of these approaches for church life and work and biblical texts themes especially with a view to the relationship of the study of Scripture to the life of the Christian In both of these areas the contributions bear in mind Wall s conviction that academic study and spiritual life need not in fact should not be kept apart The contributors to this
