A Boy's Guide to Making Really Good Choices is designed to help boys ages 8-12 learn how to think through their options, realize the possible consequences, and develop good decision-making skills. In this book, Jim George uses helpful stories and illustrations to walk boys through the kinds of choices they are likely to face each day: choices to listen to their parents, do their best in school, sports, and activities, select friends with care, be kind to siblings and others, help out at home, and use good manners. Through the use of real-life scenarios, Jim George equips boys to build good character, the kind that will stay with them for life and honor God's standards.
