Take a deep breath through your nose and then breathe out your mouth. That's your moment of reality. In that moment, set your plan. You must be back on your feet by the 8th count. You can enlarge your possibilities, although challenges, failure, and difficulties will try to set in. It's your moment. Get up on your feet. This is the moment you have been waiting for. The moment when you checkmate your opponent by taking away any possibility of your opponent winning. True Making of a Champion Victor S. Torres, 2024-03-27. What is the true making of a champion?
