## **Making Oregon A Study In Historical Geography 2 Centuries Of Oregon Geography:**

*Geographers* Geoffrey Martin, 2015-12-14 *Geographers* is an annual collection of studies on individuals who have made major contributions to the development of geography and geographical thought. Subjects are drawn from all periods and from all parts of the world and include famous names as well as those less well known including explorers, independent thinkers and scholars. Each paper describes the geographer's education, life and work and discusses their influence and spread of academic ideas. Each study includes a select bibliography and a brief chronology. The work includes a general index and a cumulative index of geographers listed in volumes published to date. Published under the auspices of the International Geographical Union.

**Environment and Experience** Peter Boag, 2024-03-29 The pioneer battling with a hostile environment, whether it be arid land, drought, dust storms, dense forests or harsh winters, is a staple of western American history. In this innovative multi-disciplinary work, Peter Boag takes issue with the image of the settler against the frontier, arguing that settlers viewed their new surroundings positively and attempted to create communities in harmony with the landscape. Using Oregon's Calapooya Valley as a case study, Boag presents a history of both land and people that shows the process of change as settlers populated the land and turned it to their own uses. By combining local sources ranging from letters and diaries to early maps and local histories and drawing upon the methods of geography, natural history and literary analysis, Boag has created a richly detailed grass roots portrait of a frontier community. Most significantly, he analyzes the connections among environmental, cultural and social changes in ways that illuminate the frontier experience throughout the American west. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1992.

**A Geographical Bibliography for American Libraries** Chauncy Dennison Harris, Association of American Geographers, National Geographic Society (U.S.), 1985 The purpose of this extensive annotated bibliography is to assist libraries in the United States, Canada and other countries to identify select and secure publications of value in geography that are appropriate for the purposes and resources of each library collection. More than 2900 entries published between 1970 and 1984 are arranged by general categories with numerous subdivisions: general aids and sources, history, theory, methodology and geography, the physical geography, the human geography, applied geography, regional geography and publications suitable for school libraries. Although publications in other languages have not been excluded, works in English

have been emphasized Basic information provided in each entry includes author title place of publication publisher publication date number of pages identifying numbers price Library of Congress card number and a brief annotation Where appropriate translation information including translator and original language are provided LH What Trouble I Have Seen David Peterson del Mar, 2009-07-01 It was 1869 and Sarah Moses with a very black eye told her father The world will never know what trouble I have seen What she d seen was violence at the hands of her husband Does the world know any more of such things today than it did in Sarah s time Sarah it so happens lived in Oregon that Edenic state on the Pacific Coast and it is here that David Peterson del Mar centers his history of violence against wives What causes such violence Has it changed over time How does it relate to the state of society as a whole And how have women tried to stop it resist it escape it These are the questions Peterson del Mar pursues and the answers he finds are as fascinating as they are disturbing Thousands of thickly documented divorce cases from the Oregon circuit courts let us listen to voices who often go unheard These are the people who didn t keep diaries or leave autobiographies who sometimes could not write at all Here they speak of a society that quietly condoned wife beating until the spread of an ethos of self restraint in the late nineteenth century And then Peterson del Mar finds the practice increased with a vengeance with the florescence of expressive individualism during the twentieth century What Trouble I Have Seen also traces a dramatic shift in wives response to their husbands violence Settler and Native American women commonly fought abusive mates Most wives of the late nineteenth century acted more cautiously and relied on others for protection But twentieth century privatism Peterson del Mar discovers often isolated modern wives from family and neighbors casting abused women on the mercy of the police women s shelters and most important their own resources Thus a new emphasis on self determination even as it stimulated violence among men enhanced the ability of women to resist and escape violent husbands The first sustained history of violence toward wives What Trouble I Have Seen offers remarkable testimony to the impact of social trends on the most private arrangements and the resilience of women subject to a seemingly timeless crime PNLA Quarterly Pacific Northwest Library Association, 1981 **Subject Catalog, 1980** Library of Congress, 1980 **Knock on Wood** W.
