determined to restore order to the duke's household but someone seems intent on sabotaging his plans. As she and Xavier work to identify the saboteur, Emmeline finds herself drawn to him even though her nanny's handbook forbids fraternising with employers. But she's fairly sure the duke is falling under her spell too.      **Essentials of Stage Management** Peter Maccoby, 2014-02-13 Good stage management is key to the smooth running of any theatrical production and as technology continues to develop and regulations tighten the responsibilities of the stage manager have never been greater. In this essential guide Peter Maccoby examines the qualities and skills necessary for effective management, stressing the importance of understanding both the creative and the technical processes involved in theatre. From negotiating contracts through to rehearsals, performance and post production, *Essentials of Stage Management* is packed with invaluable advice on every aspect of the job and every type of theatre.      *Maurice National Scenic and Recreational River Comprehensive Management Plan*, 2001      **The Nanny's Handbook to Magic and Managing Difficult Dukes: Sneak Peek** Amy Rose Bennett, 2025-06-17 Be one of the first to read this sneak preview sample edition. Mary Poppins meets Bridgerton in a feel good blend of cozy fantasy, magic, historical romance, humor and Victorian era charm. As a recent graduate of the Parasol Academy for Exceptional Nannies and Governesses, Emmeline Chase, 25-year-old widow and new alumna, may be more high spirited than the Academy would like. Few graduates, however, could turn a mismanaged teleportation onto a duke's rooftop into an offer of employment. But Emmeline's circumstances, along with her desperation to support her bankrupt, incarcerated father, have made her dauntless. Which seems the primary qualification to work for expert horologist Xavier Mason, Duke of St. Lawrence, and manage his three rambunctious wards. Yet Emmeline soon discovers that the nobleman's heart-melting voice and captivating mind present an entirely different sort of trouble. She cannot risk losing her license by fraternizing with her employer. Xavier's wards have sent two nannies packing in a month thanks to frogs, firecrackers and general mayhem. In addition, Xavier's professional reputation is on the line. He's already considered odd with his talking raven companion and his fascination with timekeeping instead of pleasure chasing with his peers. Charming, vivacious Emmeline seems intrigued with his quirks, but Xavier must have absolute peace to design London's King of Clocks for Westminster Palace before the competition closes. Emmeline can no doubt restore order as long as he doesn't fall under her spell. Yet with a possible saboteur in their midst and the attraction flaring between them threatening to become a deliciously disastrous distraction, a touch of magic may be required.      [Printers' Ink; the ...
