Big Challenges, Even Bigger God Shireen Spencer, 2019-03-15 In Big Challenges Even Bigger God Shireen shares her story with transparency and explores every moment in which she faced overwhelming trials Her determination to walk through fires with faith is deeply inspiring God s fingerprints and the evidence of His presence in these moments is explicit How great is our God that He can reach His hands down from heaven to carry us through moments that seem insurmountable Thank you Shireen for the courage you had to write this memoir that

points back to our heavenly father and His deep resounding love Cyndi Desjardins Wilkens International Speaker and Author of *Shine On The Remarkable True Story of a Quadruple Amputee* Sometimes life feels like it's just a constant series of trials each season presenting us with a new challenge to work through What do we do in times when things are going from bad to worse Is it possible to still live in joy and see God at work in our lives In *Big Challenges Even Bigger God* Shireen shows that it is sharing her own hard learned understanding that while life is hard God is good You too can live every day in the knowledge that this is true That even when you fear that you are alone and feel that He has left you God is always at work in your life Remember the challenges that we face in life may be big but God is bigger It's time for everyone to experience the comfort of God's presence in even the darkest of times

Trusting God's Timing Steven Stoffelsen, 2017-01-17 Many times Christians excitedly receive a promise or vision from God From that moment forward they want to tell the whole world what God is going to do in and through them It's so exciting to have a promise from God The Bible says Where there is no vision the people perish Proverbs 29:18 But when God gives us a promise or vision it takes time to see it fulfilled Rarely is the vision for tomorrow or even the next year It's for a certain time set by God He shows it to you early but He still wants to prepare you for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don't let a thing called time destroy you before you even start God is for you and what He's promised He will bring to pass

God will be a family favorite for years to come *God in an Open Universe* William Hasker,Thomas Jay Oord,Dean
Zimmerman,2011-08-01 Since its inception the discussion surrounding Open Theism has been dominated by polemics On
crucial philosophical issues Openness proponents have largely been devoted to explicating the underlying framework and
logical arguments supporting their perspective against competing theological and philosophical perspectives As a result very
little constructive work has been done on the interconnections between Open Theism and the natural sciences Given the
central place of sciences in today s world any perspective that hopes to have a broad impact must necessarily address such
disciplines in a sustained and constructive manner To date such engagements from the Openness perspective have been rare
God in an Open Universe addresses this deficiency This book demonstrates that Open Theism makes a distinctive and highly
fruitful contribution to the conversation and constructive work occurring between philosophy theology and the sciences The
various essays explore subjects ranging from physics to prayer from special relativity to divine providence from metaphysics
to evolution and from space time to God All who work at the intersection of theology and the sciences will benefit greatly
from these essays that break new ground in this important conversation **How Big Is Your God?** Paul Coutinho,2010-11
An Indian Jesuit priest challenges Christians to grow stronger and deeper in their faith encouraging them to experience the
infinite breadth of God in a deeply personal way by moving from religion to relationship
