Adult Catalog: Title Los Angeles County Public Library,1970 *Grace and Other Stories* Bongani Sibanda,2016-11-02
 This collection of short stories explores the survival of the fittest in the hardship and poverty of a remote village in
 Matabeleland Bongani Sibanda draws his characters and their situations with a sardonic eye and caustic humour Sibanda
 satirises churches which enrich their leaders with the tithes of the poor and draws our attention to self proclaimed pastors
 who use the gospel of nationalism and patriotism to persuade their congregants to desist from supporting opposition politics
 The church is also a source of the villagers weekly entertainment with its cleansing ceremonies and the interrogation of
 witches belief has a place but so too does theatre Patriarchy family hierarchies and the traditional position of women and
 children all fall under Sibandas wry but compassionate scrutiny We feel an intimacy with the villagers as we learn about how
 they cope with no self pity little ambition but a fierce determination to survive
