under a starless sky confronted by oddly marked and strangely colored people who claim she's there to rescue the world from evil's grasp and expand it once again. But not everyone wants that to happen, so there's a price on her head. This is far from the relaxing weekend Amy had intended. FROM THE ASHES Along with the young companions who found her, Licha and Jandro, Amy has accompanied the swaggering Colonel Dack Sangcortigre, a member of the Trotjo, the secret society sworn to protect her to his home nation in search of a plan to fulfill the Promise of a New Morphosis. As the body count rises and she is confronted with raving rulers, military machinations, and crafty clergy, she quickly realizes there must be much more at stake than merely finding the prophecy. A SPECTACULAR LIE The sense of order in this mysterious world continues to collapse. Fires rage, clans are being slaughtered, and townsfolk massacred, and leaders have proclaimed a great evil has returned. As Amy searches for clues within the first mythic journals of this world's origins, she's begun seeing visions and receiving messages from forces unknown. While she's trying to understand the extent of her power, others have become aware of it as well. Soon a new group with its own mysterious agenda believes Amy may have another fated purpose, and only she can save herself from their terrifying trap.

**Dead Post Society** Diane Kelly, 2025-04-01 The seventh in the House Flipper mystery series set in Nashville, TN, where the real estate market is to die for. This year's honor roll is killer Carpenter Whitney Whitaker and her cousin Buck, who are no strangers to murder. After all, they've encountered corpses on their properties before. But this is the first time they've decided to take a chance on a property where two suspicious deaths have already occurred. Most buildings on the former boarding school property will be repurposed for an upscale retirement community, but the developer has no use for the headmaster's house given its violent history. The headmaster and his wife were killed there decades earlier, their deaths remaining unsolved to this day. Still, it seems a shame to see the beautiful Victorian give way to decay or the wrecking ball, even if many claim the unsettled souls of the victims still wander its halls seeking retribution and justice. Can Whitney and Buck exorcise the structure's demons, solve the cold case, and give the building new life? Or will ghosts from the past seek to silence them forever?
