Volume 2** Kota Nozomi, 2021-04-12 High school student Momota Kaoru is in a relationship with his slightly older girlfriend Orihara san Today they re going to have a hot date playing video games at her house and tomorrow they re going on a drive to a faraway town They re not going to let their twelve year age difference get in their way and are only going to grow closer or so they thought Just what did Momota say to insult Orihara san s dignity and why was it so bad he had to make up for it with a mind blowing massage Who is this new girl who confessed her feelings to Momota How will a shocking encounter with Orihara san s older sister Kisaki san shake up their secret relationship Hijinks ensue in the second volume of the super sweet romcom about a miraculously cute woman pushing thirty and a devoted high school boy who are madly in love with each other The Billionaire's Pregnant Girlfriend 1 Danielle Jamesen, 2016-09-09 I pulled into the driveway with a hurried sense of urgency eager to get to the mailbox It should be here today My acceptance or God forbid my rejection to Stable College in Northern Maine It was the one school I actually cared about getting into out of the seven I applied to It was a small school compared to a University but it was of the larger colleges I had come across during my search Jack was applying there too and I had always hoped we would stick together past high school since the start of our friendship freshman year I think he thought the same thing though he would never admit to it out loud My feet nearly slid on the slick ground wet from the first of spring s cold rain as I hurried myself to open the mailbox A fat stack of various envelopes sat inside waiting for a human hand to rescue them from the cold tin can they were subject to I snatched them up

and quickly sorted through various junk mostly addressed to my mom Nothing I sighed with disappointment A knot formed in my stomach the tardiness of the letter felt like a bad sign I shook my head forcing negative thoughts out of my mind It would probably just be here tomorrow Mail arrives late sometimes WARNING Mature readers only Search Terms free romance books for young adults free alpha male billionaire romance books free bad boy romance books free romance short stories free second chance romance free steamy romance books free contemporary romance books free hot romance books women freebies free fiction books for young adults free love story and romance books free office romance books boss romance books free beach reads new adult billionaire romance books contemporary romance books romance stories fiction books romance novels steamy romance novel books romance romance adult romance novels romance books hot alpha male romance books steamy romance books books romance hot romance novels to read love story books Silver Skies, part II , *Girlfriend Getaways* Pam Grout,2005 Unraveled (Damaged Hearts 2) Skylar Heart,2018-04-18 **More Than an Ex-Girlfriend** Remi Carrington,2023-09-30 I ve been avoiding my ex More like hiding from him but that s just semantics But hiding isn t possible now that he s my new neighbor We dated all through high school but then the day after graduation I ended things which I know broke his heart But at the time I thought I was making the best choice Now I regret it Actually I ve regretted it for a while Pretty much since the day we said goodbye As much as I want to apologize and make things right if that s even possible I m afraid to face him And telling him why I broke up with him will crush him Clinging to the old adage that the way to a man s heart is through his stomach I spend an entire night making him cookies Apologies go better with cookies I think At least I hope so **My First Girlfriend Nature** Satyendra Sonkar,2017-01-15 The author s first girlfriend nature is the first part of the book He is explaining the beauty of nature The beauty of nature is too beautiful and is never understood by the stupid humans Nature is being polluted by human beings Too much increase of the earth s temperature is a very critical situation for human beings The ice glaciers are melting due to global warming Forests rivers and seas are destroyed by humans alone The beautiful nature is weeping many times but nature can get angry and destroy everything in a second The author warns us that it may be 2099 and the entire country may be covered by sea or big earthquakes may occur These predictions have been made by some scientists In modern times love and humanity are dying Nature is weeping and upset while the humans are fighting each other The conditions are not good for surviving on the earth His philosophy is to change the human nature and love the beautiful nature The best and most beautiful things in the world cannot be seen or even touched they must be felt with the heart In the second part of the book the name of the story is Anunnaki They came from heaven It deals with the real story of human life in the 5000 BC how human race came on earth The author also tries to explain why the Anunnaki is disappeared This story is too mysterious The history of science and technology and philosophy are used in his books The Anunnaki came to earth and they spread more knowledge science and technology and provided good culture The humans gained too much from them The Anunnaki had long wings and flew in the sky The Anunnaki is the
