My Heart My Soul Poetry Of The Heart And Soul

Edith Granger

My Heart My Soul Poetry Of The Heart And Soul:

My Heart My Soul Darryl Rowe, 2003-10 My first encounter with poetry was a dark time in my life There was no electricity in my household so I had a candle in my room for light Here is where my first poem light by night would be created Poetry has given me a chance to express what I was feeling emotionally outside my love for art and music It was expressions that I couldn't materialize on canvas or on an instrument Poetry is a broader image for me it allowed me to go places I've longed to go as far as reality or imaginary I've always loved to write since high school My English and writing teacher said I told good stories but couldn't get to main idea quick enough so with poetry I was able to get my point across in a shorter time I love to play with words making them rhyme was lots of fun My classmates asked How do you find words to rhyme with all the time I replied it's like matching a pair of pants with shoes or a shirt with a tie During college a friend of mine introduced me to rapping He simply said try saying your poems to a rhythm along with drum patterns So I did it was like Miles Davis the birth of the cool just experimenting with different rhythms and changes I never stopped writing poetry since I finally found my true love

Poetry's Heart to Heal the Soul Lisa K. Maier, 2007-10-18 Poetry's heart to heal the soul is based on some very touching inspirational things I have gone through in my life With god as a guide and a light I've been through many things and everything I've gone through I put it into love I call poetry it's about good times and bad but always a meaning to explain life at that particular moment in time It is a passion I have for life and the miracle it stands to be that I put into words I see life kind of like music and a dream and the power to create our own fate A lot of it is gratitude for where I stand and my love to serve in this world my wishes to help Some of this literature is on religion some on limitless love emotions I call a dimension on so many levels and outlooks I guess that's why it's poetry When I write it's like my mind is filled with words and an understanding that I put to words in hope to interest or love in some way I hope it is like a piece to a puzzle in some way or justice or helps someone to see life differently in a good way [A Library of Poetry and Song](#), 1874
