

When We Are

When your
vibration
finds the rhythm
of our vibration,
it is because you
allow yourself to **be** love,
to respond **as** love,
to send love.
When you trust, we trust,
trust is **all** and all **is** love.
Then, **in** the glory of
all nature,
we make **one** song,
one verse, the universe.
You, we, are **the** universe.
We are. We. Are. We **are**.

“MY HORSE, MY TEACHER, MY FRIEND” A Collection Of Life Lessons, Observations & Reflections From A Life With Horses. Volume 1 Andree L Ralph,2015-06-18 There is a well known saying that when the student is ready the teacher will appear Buddhist Proverb well my teachers have appeared in the form of horses and continue to do so Anyone who has spent any length of time around horses cannot have failed to have observed some of the profound lessons they are able to teach us The question however is whether we have actually learnt from them Inside the covers of this book you will find some of those lessons that I am now sharing with you so that their legacy can grow and ripple outwards There have been so many lessons but these are some of the most important They are presented through pictures thoughts and observations including those given to me by our horses and ponies and also through some of the journal and blog entries I have made to illustrate the lesson They are not in any particular order and can be read as a kind of journey as we have experienced them or as individual gifts of motivation and learning whichever suits you Homiletical commentary on the Song of Solomon
