The Jew and Other Stories Ivan Sergeevich Turgenev, 2020-09-28 In studying the Russian novel it is amusing to note the childish attitude of certain English men of letters to the novel in general their depreciation of its influence and of the public's inordinate love of fiction Many men of letters to day look on the novel as a mere story book as a series of light coloured amusing pictures for their idle hours and on memoirs biographies histories criticism and poetry as the age's serious contribution to literature Whereas the reverse is the case The most serious and significant of all literary forms the modern world has evolved is the novel and brought to its highest development the novel shares with poetry to day the honour of being the supreme instrument of the great artist's literary skill To survey the field of the novel as a mere pleasure garden marked out for the crowd's diversion a field of recreation adorned here and there by the masterpieces of a few great men argues in the modern critic either an academical attitude to literature and life or a one eyed obtuseness or merely the usual insensitive taste The drama in all but two countries has been willy nilly abandoned by artists as a coarse playground for the great public's romps and frolics but the novel can be preserved exactly so long as the critics understand that to exercise a delicate art is the one serious duty of the artistic life It is no more an argument against the vital significance of the novel that tens of thousands of people that everybody in fact should to day essay that form of art than it is an argument against poetry that for all the centuries droves and flocks of versifiers and scribblers and rhymesters have succeeded in making the name of poet a little foolish in worldly eyes The true function of poetry That can only be vindicated in common opinion by the severity and enthusiasm of critics in stripping bare the false and in hailing as the true all that is animated by the living breath of beauty The true function of the novel That can only be supported by those who understand that the adequate representation and criticism of human life would be impossible for modern men were the novel to go the way of the drama and be abandoned to the mass of vulgar standards

The Rivals and Other Stories Jonah Rosenfeld, 2020-03-31 A major literary figure and frequent contributor to the Yiddish language newspaper *Forverts* from the 1920s to the mid 1930s Jonah Rosenfeld was recognized during and after his lifetime as an explorer of human psychology His work foregrounds loneliness social anxiety and people's frustrated longing for meaningful relationships themes just as relevant to today's Western society as they were during his era *The Rivals and Other Stories* introduces nineteen of Rosenfeld's short stories to an English reading audience for the first time Unlike much of Yiddish literature that offers a sentimentalized view of the tight knit communities of early twentieth century Jewish life Rosenfeld's stories portray an entirely different view of pre war Jewish families His stories are urban domestic dramas that probe the often painful disjunctions between men and women parents and children rich and poor Jews and Gentiles self and society They explore eroticism and family dysfunction in narratives that were often shocking to readers at the time they were published Following the Modernist tradition Rosenfeld rejected many established norms such as religion and the assumption of absolute truth Rather his work is rooted in psychological realism portraying the inner lives of alienated individuals who struggle to construct a world in which they can live These deeply moving empathetic stories provide a counterbalance to the prevailing idealized portrait of shtetl life and enrich our understanding of Yiddish literature

Kaufman,2010-09-03 The lasting charm of Kaufman s stories lies in a delightful mix of personal incidents and observations set against an anchoring backdrop of cultural tradition His new collection is filled with tales from his parents homeland in the Ukraine his own childhood reminiscences and his adult travels We watch the young author forced alongside every Jewish boy on the block to emulate Yehudi Menuhin on a ten dollar violin with a moldy bow until the boy is spared by an innate lack of talent and his father s judgment of his concert Enough is enough is more than enough Kaufman is carefully attuned to the awkwardness of

adulthood as well as to that of early adolescence In Interlude in Bangkok his narrator scours the city for a synagogue while pursued by a prostitute Later he and a friend encounter Greta Garbo in a museum caf and are too frightened to approach her Aware of their intrigue the mysterious movie star intones I am not she Kaufman in his own way says that of himself in these stories through an autobiographical narrator whose memories take on resonant literary shapes in their retelling
