My Journey Through The Century:

My Journey Through Time Dena Merriam, 2020-01-01 *My Journey Through Time* is a spiritual memoir that sheds light on the workings of karma the law of cause and effect that creates one's present circumstances and relationships as we see it unfold through Dena's vivid memories of her previous births We travel back in time as Dena learns of a life in early 20th century Russia ranging from the overthrow of the Czar through Nazi Germany then it's back further to a life in early 19th century America in the Deep South and before that to a time in Africa in the early 18th century Her lives in the East in Persia Japan and India go back to the 15th 17th centuries With each past life we can see the way in which it has impacted her present life how it has stemmed from the end of the previous birth and how it will influence her next life Dena Merriam is the founder of an interfaith organization the Global Peace Initiative of Women A long time disciplined meditator Dena's access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death The memories are triggered when Dena meets a new person or visits a new place in her current life The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time

My Journey to Heaven Marvin J. Besteman, Lorilee Craker, 2012-09-01. On April 28, 2006, as he lay in his hospital bed in Ann Arbor, Michigan, visions of celestial beauty were the last thing on Marvin Besteman's mind. He had just had surgery to remove a rare pancreatic tumor. It was after visiting hours and his family had left for the day. Alone and racked with pain, Marvin tossed and turned, wanting more than anything else to simply sleep and escape the misery and discomfort for a while. The retired banker, father, and grandfather had no idea he was about to get a short reprieve in the form of an experience he never could have imagined. In *My Journey to Heaven*, Marvin Bestman shares the story of his experience of heaven with astounding detail. Readers will hear of his encounters with angels who accompanied him to the gate, his conversation, argument, really, with St. Peter, and his recognition of friends and family members who touched his life. His story offers peace, comfort, and encouragement to those who have lost loved ones and gives security and solace to those who are grieving, dying, or wonder about the afterlife. Marvin believed God sent him back to earth to fulfill this mission of comfort and reminds readers that God has work for each of us to do before he calls us to be with him in heaven. Secure in his belief that his book was the fulfillment of his own mission, Marvin returned to heaven in January 2012.

My Journey to Freedom Judith K. Lowe, 2005-03-10. *My Journey to Freedom* is a tale of a young girl growing up in war-torn Romania and her trials and efforts to become a physician and practice medicine in communist Romania and free America. On her plane flight to freedom, she reflects on the difficult years as a young girl growing up in Romania during turbulent times. Born to two Jewish physicians, her comfortable life is soon shattered by war. Initially, the hardships of rationing give way to the terror of Jewish persecution and the destruction of combat. After the war, she becomes a doctor and is sent to a country practice in a nation now under communist control. She vividly recounts her practice of medicine under difficult bureaucratic and sometimes primitive conditions. Her story is peppered with heart-wrenching medical cases about trying to provide optimal health care under these

difficult circumstances Finally arriving in America she pursues her desire to continue her professional practice and recounts her struggle to achieve this goal Again the personal medical stories help demonstrate that her passion and dedication she showed in Romania are carried to her new country Her new family of patients though of different means shows adulation very similar to the more country peasants Though there are many stark contrasts between her practice under communist rule and that of her American practice there is a similarity of physician dedication and effort and in return the patients appreciation and gratitude I much enjoyed this book and found it very entertaining and well done It was quite interesting to see the ravages of WWII through a young Jewish girls eyes I especially liked reading about the specific medical cases and viewing them in the context of the hardships frustrations and challenges brought about the practice of medicine in an isolated rural area under communist rule I also took pleasure in learning about the contrasts and similarities in the medical care and technology in a communist controlled relatively primitive area and time versus that of modern treatment in America I delighted in the revelations that despite stark differences between these two settings doctor dedication and patient gratitude remains reassuringly very similar Jeffrey Hahn M D Diplomate in Internal Medicine and Endocrinology *Our Journey to Corporate Sanity* Ayelet Baron, 2020-08-22 A fantastic and engaging read Ruth Ross Author of *Coming Alive The Journey to Reengage Your Life And Career* a mirror to reflect and a tool to redefine the purpose and responsibility of the business world Rami Kleinmann President CEO of the Canadian Friends of the Hebrew University The prevailing mindset in business which values profit above our own well being and the environment that sustains us is insane But creating a healthy humane world requires more than new organizational models that merely shift the deck chairs on a sinking ship We need to entirely re imagine the nature of business work and life In *Our Journey to Corporate Sanity* Ayelet Baron guides us through transformational stories from leading business pioneers who share how they are profitably creating a more beautiful and humane world Draw from their collective wisdom to help chart your own journey to a new mindset of 21st century leadership
