## **My Journey To Betterment:**

**My Journey to Redemption** Nikita Penn, 2015-08-13 Fasten your seatbelts folks Let me take you on a ride that is unimaginable to any adult or child It was especially unimaginable to a young boy I was born in New Orleans to a single mother of five children I was reared in the Florida housing project it was housing that reflected a very impoverished community This type of housing was offered at little to no cost at all to indigent families It is established in low income areas that are infested with alcoholism drug addiction sexual abuse and unemployment I was seemingly born into a dysfunctional lifestyle generations of dysfunction My mother was a chronic alcoholic She barhopped frequently and was often an absentee parent I never knew my biological father so I would always latch on to any male figure that I thought was a good role model Sounds familiar yet As a child I experienced and witnessed violence firsthand I was exposed to things that were alarming and continue to haunt me I call the haunting demons I ran from those demons gang affiliation drugs and alcohol and even the very often visible subject I saw daily domestic abuse against women I now understand that there was a higher power watching over me During the troublesome times in my life I could have died at least six times God is good I am still here to share my story I hope this book offers solace to others that may have experienced something very similar *My Journey of Faith, Hope & Health* Ann Keefe, 2009-06-15 This book is a journal made up of 111 articles that were published in our local paper The woman who wrote the journal was diagnosed with Lung Cancer in December of 2006 and her goal was to help people understand what it was like living and coping with the disease on a daily basis She wrote about her everyday life her Chemo and Radiation treatments her trip to Seattle for Cyber Knife treatment She wanted people to know that it was possible to lead a somewhat normal life even though the prognosis wasn't good She tried to give people an insight into thought process that a person with Lung Cancer goes through The author bared her soul in these articles in order help others with cancer or who had loved ones with the disease Ann Keefe was my wife she passed away on April 15th 2009 and I had her *Journey of Faith Hope Health* published in her memory **My Journey Through Time** Dena Merriam, 2020-01-01 *My Journey Through Time* is a spiritual memoir that sheds light on the workings of karma the law of cause and effect that creates one's present circumstances and relationships as we see it unfold through Dena's vivid memories of her previous births We travel back in time as Dena learns of a life in early 20th century Russia ranging from the overthrow of the Czar through Nazi Germany then it's back further to a life in early 19th century America in the Deep South and before that to a time in Africa in the early 18th century Her lives in the East in Persia Japan and India go back to the 15th 17th centuries With each past life we can see the way in which it has impacted her present life how it has stemmed from the end of the previous birth and how it will influence her next life Dena Merriam is the founder of an interfaith organization the Global Peace Initiative of Women A long time disciplined meditator Dena's access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death The memories are triggered when Dena meets a new person

or visits a new place in her current life The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time

**My Journey Is My Life** Nwaoha Ugochukwu C.,2019-04-23 My Journey Is My Life Living to Fulfill a Purpose tells the inspiring story of author Nwaoha Ugochukwu C who grew up in a remote village in Nigeria In his own words My Journey Is My Life is based on a true life story and my life experiences in general It was written to teach others that the things that cost

no pain provide lesser gains while things that cost more pain provide larger gains Where there has been little sweat there will be little sweet The experiences and activities in my life s journey if not for God s intervention were beyond what words could explain cruel and nearly unimaginable Frankly throughout this period what life gave me was more than terrible and frightening pictures so I thought the only thing remaining for me to do was depart from this world But I refused to die like a coward who dies more than ten times before his death Seeing what this life was all about it must be believed that it was by the will of God that I was saved And to give God all the glory I will employ the word of God from the Bible as I describe my survival efforts For they got not the land in possession by their own sword neither did their own arm save them but thy right hand and thine arm and the light of thy countenance because thou hadst a favor unto them Psalm 44 3 In the journey of life when fear is set aside greatness can be achieved in adversity

Distractions are all around us and come from all directions some come in the form of pictures movies or even books that we greatly enjoy but still keep us from what we were planning Distractions come from news outlets talking heads and what used to be reporters government and business leaders who are trying to not only add to their bottom lines but also distract us because they don't want us to know what's really going on and what they're really planning They figure if we keep fighting amongst ourselves and buying materialistic crap we don't need we will be pacified won't see what's really going on and therefore wouldn't unite and rise up to stop the whole damn thing Knowing the distractions are out there is the first step The second step is to decipher the distractions and their root and truthful definitions so we can slow and then end their sinister intentions *My Journey as a Realtor* Pat Morrell-Donnelly, 2011-08-09
