My Journey to Redemption Nikita Penn, 2015-08-13 Fasten your seatbelts folks Let me take you on a ride that is unimaginable to any adult or child It was especially unimaginable to a young boy I was born in New Orleans to a single mother of five children I was reared in the Florida housing project it was housing that reflected a very impoverished community This type of housing was offered at little to no cost at all to indigent families It is established in low income areas that are infested with alcoholism drug addiction sexual abuse and unemployment I was seemingly born into a dysfunctional lifestyle generations of dysfunction My mother was a chronic alcoholic She barhopped frequently and was often an absentee parent I never knew my biological father so I would always latch on to any male figure that I thought was a good role model Sounds familiar yet As a child I experienced and witnessed violence firsthand I was exposed to things that were alarming and continue to haunt me I call the haunting demons I ran from those demons gang affiliation drugs and alcohol and even the very often visible subject I saw daily domestic abuse against women I now understand that there was a higher power watching over me During the troublesome times in my life I could have died at least six times God is good I am still here to share my story I hope this book offers solace to others that may have experienced something very similar

My Journey Through Time Dena Merriam, 2020-01-01 My Journey Through Time is a spiritual memoir that sheds light on the workings of karma the law of cause and effect that creates one's present circumstances and relationships as we see it unfold through Dena's vivid memories of her previous births We travel back in time as Dena learns of a life in early 20th century Russia ranging from the overthrow of the Czar through Nazi Germany then it's back further to a life in early 19th century America in the Deep South and before that to a time in Africa in the early 18th century Her lives in the East in Persia Japan and India go back to the 15th 17th centuries With each past life we can see the way in which it has impacted her present life how it has stemmed from the end of the previous birth and how it will influence her next life Dena Merriam is the founder of an interfaith organization the Global Peace Initiative of Women A long time disciplined meditator Dena's access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death The memories are triggered when Dena

meets a new person or visits a new place in her current life The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time

I thought the only thing remaining for me to do was depart from this world But I refused to die like a coward who dies more than ten times before his death Seeing what this life was all about it must be believed that it was by the will of God that I was saved And to give God all the glory I will employ the word of God from the Bible as I describe my survival efforts For they got not the land in possession by their own sword neither did their own arm save them but thy right hand and thine arm and the light of thy countenance because thou hadst a favor unto them Psalm 44 3 In the journey of life when fear is set aside greatness can be achieved in adversity
