My Journey To Freedom

My Journey To Freedom:

My Journey to Freedom Judith K. Lowe, 2005-03-10 *My Journey to Freedom* is a tale of a young girl growing up in war torn Romania and her trials and efforts to become a physician and practice medicine in communist Romania and free America On her plane flight to freedom she reflects on the difficult years as a young girl growing up in Romania during turbulent times Born to two Jewish physicians her comfortable life is soon shattered by war Initially the hardships of rationing give way to the terror of Jewish persecution and the destruction of combat After the war she becomes a doctor and is sent to a country practice in a nation now under communist control She vividly recounts her practice of medicine under difficult bureaucratic and sometimes primitive conditions Her story is peppered with heart wrenching medical cases about trying to provide optimal health care under these difficult circumstances Finally arriving in America she pursues her desire to continue her professional practice and recounts her struggle to achieve this goal Again the personal medical stories help demonstrate that her passion and dedication she showed in Romania are carried to her new country Her new family of patients though of different means shows adulation very similar to the more country peasants Though there are many stark contrasts between her practice under communist rule and that of her American practice there is a similarity of physician dedication and effort and in return the patients appreciation and gratitude I much enjoyed this book and found it very entertaining and well done It was quite interesting to see the ravages of WWII through a young Jewish girls eyes I especially liked reading about the specific medical cases and viewing them in the context of the hardships frustrations and challenges brought about the practice of medicine in an isolated rural area under communist rule I also took pleasure in learning about the contrasts and similarities in the medical care and technology in a communist controlled relatively primitive area and time versus that of modern treatment in America I delighted in the revelations that despite stark differences between these two settings doctor dedication and patient gratitude remains reassuringly very similar Jeffrey Hahn M D Diplomate in Internal Medicine and Endocrinology

My Journey To Freedom Mattie Mullet, 2012-05-01 I hope this book helps clear up the general population s misconceptions and confusion about the Amish I have read or heard things that aren t true or even near the whole truth This book is not written to harm anyone but to provide information so that others might better understand how to help Amish people There will be things written that don t apply to every community but it s very real and true in the communities I lived in I was born from generations of Amish and at age 51 I did the unthinkable I left everything I had ever known That would ve been impossible to do with all the shunning If it hadn t been for my precious Jesus I would have never found the strength to leave all that I d ever known Now it is my heart s sincere desire that everybody come to the saving knowledge of Jesus Christ and experience the joy of salvation and that includes my loved ones the Amish *My Journey to Freedom* Patty Sanders, 2021-08-05 What she doesn t know is that she is waking up to a nightmare that will change her normal to living in hell s kitchen What is worse knowing what you lost or begging for something you can never have again

From fighting demons in the night to losing someone I never thought I could live without this journey takes me on a warfare in the mind It shows that when you reach a new level with God you will fight a devil you have never encountered My journey is desperate with a lot of blood sweat and tears It s my journey to freedom **The Escapes and My Journey to Freedom** Du Hua,2012-08-17 He was born in the warzone The invasions of the North Vietnamese Communists had caused total destruction throughout the entirety of his parents village when he was just four years of age He had witnessed the killings and the brutality of the evil Communists throughout his childhood After the Fall of Saigon his family had suffered great hardship from the Vietcong It was clear that there was no future for the young generation his family had determined to find ways for their son to escape the Communist regime He had tried numerous times to escape with no success nevertheless God had protected him and he did not get killed or caught by the Vietcong He finally escaped successfully on his eleventh attempt and his boat was so lucky to get rescued by a German ship in the unforgiving ocean He settled in the United States of America after years of long waiting in the refugee camp He has found the life of freedom and dignity in America from the hell of the evil Communists He has appreciated so much about his new country harboring him and he was determined to serve and help protect the freedom and democracy for his new motherland He joined the United States Navy and became a sailor serving multiple deployments He was very happy and dreamed to become a Navy jet fighter pilot someday Unfortunately he got injured while performing his duty His medical separation from the US Navy saddened his heart and soul Now he as a disable veteran had to fight for survival for himself and his family with two small daughters He had to return to college and further his education He overcame all major obstacles and impediments mentally and physically he graduated from a Doctor of Pharmacy program from Nova Southeastern University Since then he has been working as a pharmacist to support his family He was extremely happy to have another opportunity to serve his patients his community However his old injury continues to aggravate him over the years nonetheless he continues to fight to support his family and serve the people he loves **The Journey to Freedom** Matthew Bauer,2010-12-31 **Me -- My Journey to Freedom** Tatu Reginaldah,2022 At eighteen my life begins to fall apart A close family friend holds me hostage with the motive to condition me to love him and mother his children We are not in love he says he is My fey powers are cut off when he uses his influence to keep everyone from me and I m catapulted into a world enveloped by violence abuse danger and disgust The next couple of years are a mix of confusion conforming wallowing in misery and being a new person as I shape the course of my freedom This is my story this is me Back cover [Locked Up](#) Miriam Schulz,2020-10-05 In this first part of her bookseries Journey to freedom Miriam describes how she gets falsely accused of stealing her fathers books She ends up as an innocent teenage girl in an adult prison with several other stranded woman around her She explains in detail what experiences she had there You learn a lot about the normal life during the civil war between the Ugandan government and the sadistic LRA with their children soldiers You will get to know a strong modern minded African woman who fights against many unimaginable tortures sexual

discrimination and other setbacks in the traditional African society **My Journey to Freedom** Ladislav Bevc,1990 **27 Summers** Ronald Olivier,2023-11-07 Discover hope as you see redemption even in the darkest circumstances Ronald Olivier shares his dramatic and powerful story of how a young man sentenced to life without parole miraculously found faith forgiveness redemption and restoration As a teenager Ronald Olivier ran wild in the streets of New Orleans selling drugs stealing cars and finally killing someone on Christmas Day 1991 Ron was sentenced to life in prison without parole and was incarcerated for nearly three decades Finally after being locked up for 27 summers at the notorious Louisiana State Penitentiary known as Angola Ron was miraculously released in 2018 But what led to this amazing transformation and newfound freedom 27 Summers recounts Ron s journey of redemption and how even through the agony of solitary confinement and multiple transfers into increasingly dangerous prison environments Ron kept seeking God for healing and hope Remarkably he became the director of chaplains at Mississippi State Penitentiary Today Ron loves to combat hopelessness wherever he finds it by saying Don t tell me what God can t do As you read 27 Summers you will Gain a new perspective on overcoming adversity Learn new insights about faith and patience from a man who spent almost three decades in a cruel and violent environment Explore the power of faith in dark times Discover how faith can be a guiding light offering hope and strength when you need it most Understand the true meaning of forgiveness Be encouraged to find grace and forgiveness to overcome the pain of your past Find the hope you need for trying times Take heart and be inspired as you witness the reality that God can redeem and restore anyone In 27 Summers you will find hope redemption and the power of forgiveness Ron s inspiring story brilliantly displays God s power to transform individuals families and communities reminding us that there truly is nothing God can t do *Dangerous Journey to Freedom* Wanda Klukowski,1990 **From Slavery to Freedom** S. The Dirt Beneath Our Door Pamela Jones,2025-09-09 For fans of *Educated* and *The Sound of Gravel* *The Dirt Beneath Our Door* tells the remarkable and inspirational story of how a mother escaped a fundamentalist Mormon cult with her eight youngest children only to struggle with newfound freedom in an America she barely knew Sixty one siblings Five sister wives Nine children And one carefully hidden dream To escape the violent misogynistic fundamentalist Mormon cult that kept Pamela Jones perpetually pregnant broken and brutalized Today Pamela Jones is a self made millionaire and successful CEO But growing up she never could have imagined her life would turn out that way From a young age she was told her only purpose in life was to be her husband s handmaid and bear him as many children as possible While she endured fear poverty deprivation and abuse her family constantly moved between rural desert compounds in the United States and Mexico one

step ahead of the law and one step ahead of Ervil LeBaron aka The Mormon Charles Manson the cult's frightening leader whose brutal blood atonements left a trail of bodies in his wake By the time she was newly married at fifteen Pamela's husband forbade her any contact with outsiders including her own family She'd been raised to believe that her throat would be slit and her blood sprinkled on the soil if she ever tried to escape But in 2000 at age thirty four she knew that if she and her children didn't escape they would die The Dirt Beneath the Door follows their desperate flight across the Mexican border with only the clothes on their backs two vehicles and two tanks of gas a five dollar bill and two credit cards her husband had secretly taken out in her name Once settling in Minnesota Pamela must use her own resilience and grit as a mother to support her children and build an independent life for her family with less than a fifth grade education all while exploring the life and liberties that had been denied to her for so long An unforgettable testament to the power of hope and resilience The Dirt Beneath Our Door is an epic and harrowing tale of finding freedom believing in yourself and achieving the American Dream
