My Kids An Honor Student Your Kids A Loser:

Don't Give Me That Attitude! Michele Borba, 2004-03-11 Does your kid never take no for an answer and demand things his way? Do her theatrics leave you drained at the end of the day? Are you resorting to bribes and threats to get your kid to do chores? Does he cheat, complain or blame others for his problems? Do you feel you're running a hotel instead of a home? Are you starting to feel like your child's personal ATM machine? What happened? You thought you were doing the best for your child and didn't set out to raise a selfish insensitive spoiled kid. In her newest book *Don't Give Me That Attitude*, parenting expert Michele Borba offers you an effective practical and hands-on approach to help you work with your child to fix that very annoying but widespread youthful characteristic attitude. If you have a child who is arrogant, bad-mannered, bad-tempered, a cheat, cruel, demanding, domineering, fresh, greedy, impatient, insensitive, irresponsible, jealous, judgmental, lazy, manipulative, narrow-minded, noncompliant, pessimistic, a poor loser, selfish, uncooperative, ungrateful or unhelpful, this is the book for you.

Riera channels his unpatronizing approach and two decades of experience working with teens into this optimistic and indispensable book.

Taming the Tiger Parent Tanith Carey, 2014-09-18 Mozart in the womb, Baby Einstein DVD's for newborns and iPad learning apps for toddlers. From the moment the umbilical cord is cut, today's parents feel trapped in a never-ending race to ensure their child is the brightest and the best. But while it's completely natural for us to want our kids to reach their potential, at what point does too much competition become damaging? With constant testing in schools, also raising the stakes, how can we tell when hot housing children is actually doing more harm than good? In this ground-breaking and provocative book, award-winning journalist and parenting author Tanith Carey presents the latest research on what this contest is doing to the next generation. She explains why far from making our children more go-getting and successful, it can backfire with life-long repercussions, damage their emotional well-being and fracture their relationships with the very people who love them most: their parents. In this essential manual for today's modern parent, Tanith offers parents practical, realistic solutions that will give them permission to take their foot off the gas and reclaim a more relaxed family life. Packed with insights, experts' tips, real experiences and resources, this book is a timely guide to safeguarding your child's well-being in a competitive world so they can grow into the happy, emotionally balanced people they really need to be.
