My Last Two Thousand Years:

Last of the Last Days Thaddeus Kedziora, 2015-06-03 Last of the Last Days is dedicated to refuting the unbiblical error of Replacement Theology. It scripturally proves that Nero was not the biblical fulfillment of the Antichrist. It chronicles Israel's disobedience and God's plan of national restoration for Israel through the Tribulation process. It also discusses the next prophetic event for the church, which is the Rapture followed by the Judgment Seat of Christ. It culminates in evidence that we are living in the Last of the Last Days before Jesus Christ returns to Earth. *Are These the Last Days?* Charles Schmitt, 2014-07-01 The path of the righteous is like the first gleam of dawn, shining ever brighter till the full light of day. Proverbs 4:18 NKJV. Solomon says in Proverbs 4:18 that we can expect an increase in enlightenment and an expansion of understanding as we approach the last days. That is Charles P. Schmitt's position as he presents a fresh scrutiny of Old and New Testament prophetic scriptures in the light of today's world events. He traces not only the conflict between Israel and the Arab world but also their amazing last days promises of restoration. At all times he underscores the primary backdrop for any Christian view of the last days: worldwide evangelism before the end comes. Are These the Last Days will graciously challenge your status quo understanding of end-time prophecies and enable you, as Solomon said, to see this subject in an ever-brighter light. **The End Of Earth** Philip N. Moore, 2024-11-01 In this eye-opening exploration, discover how Moses' ancient prophecies on Israel, the coming of Jesus, and the End Times have striking connections to modern-day events. Delve into how these timeless predictions align with the unexpected rise of Donald Trump, Nostradamus' cryptic visions, and the eerie legacy of the Kennedy curse. With meticulous research, this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved. Prepare to be astonished as you uncover the undeniable threads that tie together history's greatest mysteries with prophetic foresight. Is it coincidence, or is there a higher plan at work? *Trajectories in Near Eastern Apocalyptic* John C. Reeves, 2005 **Seven** No Author Captain, 2011-12-12 This book is about the Book of Revelation and end-time events. It is written with regard to past, current, and future events and talks about how the next few years might unfold. It encompasses events that will affect the entire world, not just our little corner of this earth. We are reminded about the hazards of not paying attention to what is truly important in our lives. The coming days will not be easy; will you be ready? **Rhetoric before and beyond the Greeks** Carol S. Lipson, Roberta A. Binkley, 2012-02-01 Focusing on ancient rhetoric outside of the dominant Western tradition, this collection examines rhetorical practices in Egypt, Mesopotamia, Israel, and China. The book uncovers alternate ways of understanding human behavior and explores how these rhetorical practices both reflected and influenced their cultures. The essays address issues of historiography and raise questions about the application of Western rhetorical concepts to these very different ancient cultures. A chapter on suggestions for teaching each of these ancient rhetorics is included. *Two Thousand Years of Economic Statistics, Years 1 - 2012* Alexander V. The Splitting of the Adam: It's time to Awaken!
