Learning to Forgive Walter R. Smith, 2010-01-01 How do you forgive a person who has hurt you deeply Why forgive someone who does not deserve to be forgiven Forgiveness is not easy and often we discover that the person who needs to be forgiven the most is ourselves As we forgive others and ourselves we find that we are the ones who have benefited forgiveness brings a peace to our lives that no one can take away from us

Learning to Forgive A Memoir of Doubt and Faith is the author's personal journey of forgiveness from a spiritual and psychological point of view The book shows the reader how they can use their relationship with God the resources of the Christian faith and their psychological understanding of themselves to learn how to forgive As readers see that pastors are not immune to the challenges of everyday life nor are they spared from abusive backgrounds they will be encouraged to embark on their own journeys of forgiveness or receive strength and hope for a journey already started

Glad I Didn't Know Vonna Laue, 2024-12-03 Glad I Didn't Know is a compelling anthology that weaves together the stories of resilient individuals who bravely recount some of the most challenging periods in their lives as well as unexpected moments of joy and blessings The common thread in each story lies in the revelation of what the individuals are

grateful they didn't know during those trying times *Glad I Didn't Know* showcases the transformative power of adversity and uncertainty emphasizing that the true purpose of life's challenges often becomes apparent only in hindsight Follow along as one person leaves a beloved and lucrative career with no idea what's next only to encounter a series of hardships within three months like a child's severe injury a house flooding and the loss of a parent while elsewhere a couple retires to help others and enjoy life only for the husband to be diagnosed two weeks later with cancer that was so severe the doctor suggested he go home and prepare his will Each story delves into the emotional turmoil anxiety and uncertainty experienced during these challenging times followed by an Aha moment where the author reflects on the divine intervention and lessons learned *Glad I Didn't Know* encourages people to persevere through difficulties offering a lens through which to view personal situations and see how a sovereign God has worked behind the scenes in unseen ways By navigating the highs and lows of various life stories *Glad I Didn't Know* serves as a guide to help individuals avoid bitterness doubt and worry fostering a realization that they serve a God who orchestrates all things for good *Revelation by Scriptures Writes Direct Prayer Universal* Shirley A. Jefferson, 2006-06 Don't try to reach your new life potentials on old failed past life experiences If it didn't work then It won't work now Sometimes people really can tell when you are lying *Through Their Eyes* Carmen Ogert, 2022-01-10 This story goes through the life of each mental illness as an entity Each mental illness is given a chance to roam the Earth Nobody can see or hear them but they can feel the effects of being in their shadow This story will also include a look into the life of someone affected by each mental illness My hope is that this story and the other stories to come will shed some light on mental illnesses and make them not seem as scary to people who have them or know someone who does It will also show how hurtful it is to know someone with the illness or to be the person with the illness No mental illness isn't a joke in fact it's very real This story explains how real mental illness is but also gives each mental illness a side of the story too
