He is wearing a dark uniform with a light-colored shirt and dark trousers. Behind him, several other people are visible, some sitting on the ground and others standing. The building has a simple, rectangular structure with a flat roof. A large American flag is draped over the top of the image, with the stars and stripes clearly visible.

Complexities Along My Life's Journey-But God Wayne Heil, 2012-09-11 Everyone has a story but few take time to tell their story *Complexities Along My Life s Journey But God* Wayne Heil has shared an interesting narrative that begins with a

German family moving to Russia escaping by night to America in fear of the oncoming Bolshevik revolution and finding a home in South Dakota It was here that Wayne s personal story begins in Mobridge What follows is a fascinating narrative of loving families beautiful romance and marriage to two beautiful women varied successful ministries and sometimes even bitter disappointment In spite of several setbacks and discouragement this story is about a triumphant life that is rooted in the rich soil of a deep faith The church would be blessed if more people of faith would share their trials and triumphs as honestly as Wayne Heil has in this engaging account of his faith journey **The Presence of a Chaplain** Dr. Barbara Thomas-Reddick,2015-07-25 To understand the purpose the mission and the relevance of this research titled The Presence of a Chaplain I believe sharing my life story will give the reader in depth insight and demonstrate the importance of including chaplains on multi interdisciplinary teams This writer believes that if chaplaincy is considered to be included in diverse systems the student parent guardian would benefit holistically and the chaplains presence along would make a difference in the public and private schools particularly but not limited to when our children are challenged with depression bullying suicidal and low self esteem When a chaplain is present to provide the listening ear our children would have an outlet to share their concerns thoughts and problems to a credentialed qualified and trained chaplain Chaplains are trained to remain available and journey wherever the child or individual maybe reaching them with the holistic plan of care mind body and soul Being ever so mindful to recognize when it is time to transition and pass the baton by making referrals when the matter is out of your scope of practice Chaplaincy E. Dean Cook,2010-05 This book takes us beyond the usual writings about religious ministry It invites us iinto closed communities some more closed than others and allows us to observe the day to day crisis ministries in which the chaplains are engaged We visit battlefields prisons hospitals hospice settings college campuses veterans centers and retirement facilities The writer draws some interesting conclusions about the uniqueness of the chaplaincy and what the greater church can learn from this growing model A Navy Chaplain'S Devotions for Afloat and Ashore Benny J. Hornsby,2016-01-13 As a longtime US Navy and Marine Corps Chaplain afloat and ashore author Benny J Hornsby is familiar with both the realities of the battlefield and the challenges of everyday living A Navy Chaplains Devotions for Afloat and Ashore seeks to provide inspiration for military personnel as well as anyone who is lonely depressed or far from home This volume is also a valuable source of real world illustrations for ministers and other public speakers Hornsby wrote these devotions over the course of a thirty six year career on active duty in the US Navy Chaplain Corps including extended duty on six different Navy ships and several shore installations These devotions were presented onboard ship at the US Naval Academy in Annapolis Maryland and in Navy and Marine Corps chapels hospitals and prisons around the world While most were presented in formal religious settings some appeared in newspapers magazine articles unit newsletters computer bulletin boards and impromptu Bible studies in difficult places such as the battle zones of Vietnam Panama and Lebanon as well as on the radio program Brother Benny Your Radio Pastor *A Chaplain's Last Confession* Robert Tito

Memminger, Evelyn Haider Brown, 2015-08-31 A very true life history written by a chaplain Father Tito is the writer of his life He s known by many different names yet I believe Father Tito best tells who he is If there seems to be confusion in his life s story that s because I don t believe he never really knew who he was He had been a compassionate chaplain He was a merciless killer He spoke out against many not making him the most popular man at times Thus he had many enemies He especially spoke against the injustices of his own government He went after the bullies of the Belt Way who created wars for just shear profit His jangled life began without any control over his existence It continued such until his later years His chief controller was his own country the United States of America With all the covert acts of patriotic duty he was never recognized He was a hidden secret in his country He had been stripped of his existence No awards applauses thank you or even up yours This compassionate chaplain became a hit man for his country not totally out of patriotic loyalty but because his parents lives were threatened Therefore he completed covert missions created for him especially since he was a genius If you have trouble following the contents of this true story it s because you re walking inside the brain of a genius a tortured child prodigy A mind that s forever in movement Twisted thoughts Reminiscent events of the past His mind full of real information Terror inside because of the demons of the past pop up Demonic confusion utters or screams from his mouth He talks incessantly not always in any type of the average chronological brain the order of the average man Tito s order is scrambled dictated to him to speak by his overactive mind So again be patient and you will discover a man persecuted by the realms surrounding him family friends church country and the world

A Chaplain's Pilgrimage Kiyo Itokazu, 2007-10 From a blissful and innocent childhood years in Lahaina Maui during World War II to the Vietnam War and to terminal patients in healthcare settings the author presents an autobiographical pilgrimage The fear of his own death in Vietnam and the befriending of a catatonic female patient in a psychiatric institution became the catalyst for his psychological emotional and spiritual growth The experiential knowledge enabled him to work in the healthcare field as a Hospital Chaplain With his knowledge of the dynamics of critically ill and terminal patients doctor and patient protocol and medical bio ethics he was able to avoid an unnecessary open heart surgery during a vacation trip to Memphis His pilgrimage continues through his senior years to redeem the God given time he is privileged to enjoy and acknowledge that life is worthwhile at every age He continues to sing with the Psalmist This is the day that the Lord has made let us rejoice and be glad in it Psalm 118 24 NIV

The Army Chaplaincy , 1993 *The Chaplain's Presence and Medical Power* Richard Coble, 2017-12-20 Why is loss present but rarely spoken of in the hospital system How does such silence carry over to the practices of chaplains who accompany dying patients and grieving families Richard Coble critically examines his experiences as a hospital chaplain to analyze the place of spiritual care in wider trends vexing healthcare today including its persistent disparities and its related inability to reckon with human decline Simultaneously he offers routes for chaplains to be a force of change

A Chaplain's Experience Rev. John Skanse MDiv., COL ILANG (Retired), BCC, 2018-02-20 What is the place of a chaplain in medical care How does chaplaincy fit into the psychological and physical spectrum of care in a medical setting What words might more effectively express the need for chaplaincy involvement What is the global goal of chaplaincy involvement whether working with a patient of one's own religion other religions or those with no religious focus How can a deeply religious chaplain effectively and honestly work with non religious patients and or family to provide a needed value These questions are explored in depth in Chaplain Skanse's new book A Chaplain's Expertise The New Paradigm In it Chaplain Skanse seeks to develop a simpler universal language to talk about spiritual care Much is said about being spiritual and touching another person's life spiritually What this means and how one actually does this in the crisis of medical uncertainty without stepping

on the autonomy of another person and or their family is explored with this new paradigm Chaplain Skanse seeks to simplify the language of chaplaincy into a functional common language that allows patients their families the medical team hospital administrators and even society at large to understand and converse with the chaplain This language creates a more unified and effective response to the questions of what chaplains do beyond their own religious or denominational offerings and how can they speak about their value to everyone involved in the trauma of medical need Whether one is exploring the field of chaplaincy for the first time or has worked in chaplaincy for a many years this new perspective provides a framework from which everyone on the medical team can begin their evaluation with common goals for spiritual care **The Chaplain'S**

Cross Ed DeVos, 2014-05-16 I was mesmerized by the way the author captured the realism of how World War II was experienced through the eyes of the soldiers and their families A must read for all generations Jim Walsh former president of the 307th Bomb Group Association The Chaplains Cross is a thought provoking inspirational historical novel honoring the chaplains and the men who serviced in the US Army Air Corps in World War II It is a story of how God knits together all things for His glory The story follows two men one an army air corps chaplain and the other a Japanese fighter pilot as the two prepare for a battle that takes place over Truk Atoll on 29 March 1944 a battle in which the 307th Bomb Group is awarded a Distinguished Unit Citation The Chaplains Cross weaves together the actions of these two men exploring their views of their faith as well as how they interact with those around them Each man faces a crisis in conscience in his own way leading to a surprise ending that continues to have implications for us today The narrative captures the historical accuracy of a major World War II air campaign highlighting the ministry and sacrifice of an army chaplain who loved God faithfully ministered to his flock The story seamlessly weaves the circumstances leading to God's will in transforming a foreign land Dr Charles Lewis Chaplain Lieutenant Colonel USAF Retired **Chaplaincy and the Soul of Health and Social Care** Ewan Kelly, John

Swinton, 2019-12-19 Gathering together thoughts and visions of experienced practitioners academics educators and strategic leaders from around the world this edited volume sheds light on the nature of chaplaincy and its role and significance within ever changing contemporary healthcare systems A wide range of issues central to spiritual care delivery are covered including reflections on what it feels like to be cared for by a chaplain through illness the nature of chaplaincy as a profession and how chaplains can engage with healthcare institutions in ways that have integrity yet are also deeply spiritual The focus throughout is that chaplaincy should not only be guidance for people in distress as a form of crisis intervention but is rather about helping to promote wellbeing and enhance people's quality of life Where specialisms tend to fragment systems and individuals this book seeks to show that true health and wellbeing can only be found through a holistic approach and shows how chaplaincy can bring this to the table This book is for anyone who recognises the centrality of spirituality for wellbeing and wishes to see what that might look like in practice
