J. Kenney, 1975-04-23** *Leonard Woolf* Victoria Glendinning, 2008-04-28 This meticulously researched and compassionately rendered portrait of Leonard Woolf the dark star of Bloomsbury is the first to capture his troubled relationship with his wife his own intellect and the tumultuous world of artists and eccentrics around him A man of extremes Woolf was by turns ferocious and tender violent and repressed opinionated and nonjudgmental always an outsider of sorts within the exceptionally intimate fractious and sometimes vicious society of brilliant but troubled friends and lovers In telling Woolf's story Victoria Glendinning traces the development of the Bloomsbury circle bringing to life the group's literary and personal discussions She also provides an unprecedented account of Woolf's marriage to the legendary Virginia revealing his undying creative and emotional support for her amid her numerous breakdowns Leonard Woolf is a perceptive and lively biography of a man whose far reaching influence is long overdue the full appreciation Glendinning provides **Second Catalogue of the Library of the Peabody Institute of the City of Baltimore** George Peabody Library, 1896 *Second Catalogue of the Library of the Peabody Institute of the City of Baltimore, Including the Additions Made Since 1882* George Peabody Library, 1898 **Second catalogue, including the additions made since 1882** Baltimore Peabody inst, libr, 1896

Arts & Humanities Citation Index, 1997 *Jack the Ripper* Paul Begg, 2013-10-03 The clearest most accurate and most up to date account of the Ripper murders by one of Britain's greatest and most respected experts on the autumn of terror in Victorian London William D Rubenstein Professor of Modern History University of Wales Aberystwyth England in the 1880s was a society in transition shedding the skin of Victorianism and moving towards a more modern age Promiscuity moral decline prostitution unemployment poverty police inefficiency all these things combined to create a feeling of uncertainty and fear The East End of London became the focus of that fear Here lived the uneducated poverty ridden and morally destitute masses When Jack the Ripper walked onto the streets of the East End he came to represent everything that was wrong with the area and with society as a whole He was fear in a human form an unknown lurker in the shadows who could cross boundaries and kill Jack the Ripper The Definitive History is not yet another attempt to identify the culprit Instead the book sets the murders in their historical context examining in depth what East London was like in 1888 how it

came to be that way and how events led to one of the most infamous and grisly episodes of the Victorian era **London In The Nineteenth Century** Jerry White,2011-06-08 Jerry White s *London in the Nineteenth Century* is the richest and most absorbing account of the city s greatest century by its leading expert London in the nineteenth century was the greatest city mankind had ever seen Its growth was stupendous Its wealth was dazzling Its horrors shocked the world This was the London of Blake Thackeray and Mayhew of Nash Faraday and Disraeli Most of all it was the London of Dickens As William Blake put it London was a Human awful wonder of God In Jerry White s dazzling history we witness the city s unparalleled metamorphosis over the course of the century through the daily lives of its inhabitants We see how Londoners worked played and adapted to the demands of the metropolis during this century of dizzying change The result is a panorama teeming with life *Books in Print* ,1977 **Catalog of Copyright Entries. Sensational Victorian Robert Lee Wolff,1979 *The Invention of Murder* Judith Flanders,2013-07-23 Superb Flanders s convincing and smart synthesis of the evolution of an official police force fictional detectives and real life cause c l bres will appeal to devotees of true crime and detective fiction alike Publishers Weekly starred review In this fascinating exploration of murder in nineteenth century England Judith Flanders examines some of the most gripping cases that captivated the Victorians and gave rise to the first detective fiction Murder in the nineteenth century was rare But murder as sensation and entertainment became ubiquitous with cold blooded killings transformed into novels broadsides ballads opera and melodrama even into puppet shows and performing dog acts Detective fiction and the new police force developed in parallel each imitating the other the founders of Scotland Yard gave rise to Dickens s Inspector Bucket the first fictional police detective who in turn influenced Sherlock Holmes and ultimately even P D James and Patricia Cornwell In this meticulously researched and engrossing book Judith Flanders retells the gruesome stories of many different types of murder in Great Britain both famous and obscure from Greenacre who transported his dismembered fianc e around town by omnibus to Burke and Hare s bodysnatching business in Edinburgh from the crimes and myths of Sweeney Todd and Jack the Ripper to the tragedy of the murdered Marr family in London s East End Through these stories of murder from the brutal to the pathetic Flanders builds a rich and multi faceted portrait of Victorian society in Great Britain With an irresistible cast of swindlers forgers and poisoners the mad the bad and the utterly dangerous *The Invention of Murder* is both a mesmerizing tale of crime and punishment and history at its most readable *City of Dreadful Delight* Judith R. Walkowitz,1992-10-15 From tabloid exposes of child prostitution to the grisly tales of Jack the Ripper narratives of sexual danger pulsed through Victorian London Expertly blending social history and cultural criticism Judith Walkowitz shows how these narratives reveal the complex dramas of power politics and sexuality that were being played out in late nineteenth century Britain and how they influenced the language of politics journalism and fiction Victorian London was a world where long standing traditions

of class and gender were challenged by a range of public spectacles mass media scandals new commercial spaces and a proliferation of new sexual categories and identities In the midst of this changing culture women of many classes challenged the traditional privileges of elite males and asserted their presence in the public domain An important catalyst in this conflict argues Walkowitz was W T Stead s widely read 1885 article about child prostitution Capitalizing on the uproar caused by the piece and the volatile political climate of the time women spoke of sexual danger articulating their own grievances against men inserting themselves into the public discussion of sex to an unprecedented extent and gaining new entree to public spaces and journalistic practices The ultimate manifestation of class anxiety and gender antagonism came in 1888 with the tabloid tales of Jack the Ripper In between there were quotidian stories of sexual possibility and urban adventure and Walkowitz examines them all showing how women were not simply figures in the imaginary landscape of male spectators but also central actors in the stories of metropolotin life that reverberated in courtrooms learned journals drawing rooms street corners and in the letters columns of the daily press A model of cultural history this ambitious book will stimulate and enlighten readers across a broad range of interests
