Daniel in the Lion's Den Daniel William Heard,2011-11 They joy of writing Daniel In The Lion s Den is only surpassed by the daily joy of helping others as I go beside the patients and their families at Detroit Receiving Hospital God is always with me as I work along side the nurses and doctors in one of the busiest Emergency Departments in the United States As I began my position as Patient Advocate in 2009 I took note daily of heart wrenching stories strength of faith at the darkest hours and God s hand in healing My wife Paula suggested that I keep a log of many of the stories that developed Every night brought something new I was in complete awe of our entire staff at Detroit Receiving Hospital not only the doctors and nurses but the clerks registration personnel and security officers as well Remarkably I was widely accepted by that staff and soon felt very much at home as I worked beside them The stories I have to tell are actual life and death accounts seen through the eyes of a Patient Advocate The Emergency Department at Detroit Receiving Hospital can be horrifying but it can also be a place of incredible mercy It is a place of refuge for many who might be homeless seriously ill or injured It is for some the last place they will ever visit alive The pain and the grief here can be overwhelming but as you read these stories you will find joy and healing God s work here is unmistakable I hope you see His hand as i did and just as Daniel did in the Biblical Lion s Den
