McVeigh Mrs. Miller, 2022-06-13 In Little Golden s Daughter or The Dream of a Life Time Mrs Alex McVeigh Miller delights readers with an engaging and somewhat whimsical period melodrama The narrative traverses the life of the eponymous Golden a young girl whose adventures unfold in a quaint village setting emblematic of the pastoral communities in 19th century literature Miller s literary style is marked by a playful tone which provides a buoyant counterbalance to the conventional gravitas of the melodramatic genre The work is a vibrant pastiche rich in character driven dialogue and carefully poised between serious social commentary and the willing suspension of disbelief that makes for a delightful read The book sits comfortably within the popular domestic fiction of its time offering an insight into the mores and attitudes of the period Alex McVeigh Miller s own career as a prolific writer of dime novels adds a layer of depth to Little Golden s Daughter The author having crafted many such fanciful and sentimental narratives was adept at exploring themes relevant to the experiences of her largely female audience It is possible that Miller s own observations and interactions within her community may have provided inspiration for her village vignettes and her compassionate portrayal of Golden s youthful na vet For enthusiasts of historical fiction and readers yearning for a nostalgic journey through melodramatic literature Little Golden s Daughter is an entrancing choice This book will charm those who appreciate the interplay of simplicity and absurdity characteristic of many 19th century novels It s also an amusing reflection for contemporary readers on the dramatic excesses and the unassuming innocence once abundant in popular literature Miller s narrative is a window into a bygone era offering not just a story but a vintage literary escapade *Magical Manners!* (Shimmer and Shine) Mary Tillworth, 2019-01-08 A Little Golden Book about manners starring Leah her magical twin genies and their pets from Nickelodeon s Shimmer and Shine This Little Golden Book teaches kids all about manners and features the characters from Nickelodeon s Shimmer and Shine Boys and girls ages 2 to 5 will learn to hold the door for others ask before taking and say Please and Thank you with Shimmer Shine Leah and many other genies from Zahramay Falls Little Golden Books have been loved by children for 75 years Today Little Golden Books are available in such beloved classics as The Poky Little Puppy and Scuffy the Tugboat and also feature hot licenses and new original stories the classics of tomorrow ready to be discovered between their sturdy cardboard covers and gold foil spines *Eliza Cook's Journal* ,1851 **Choice Selections of Poetry for Children and Youth** ,1903 **Asiatic Annual Register** ,1800 *The Asiatic Annual Register, Or, A View of the History of Hindustan, and of the Politics, Commerce and Literature of Asia for the Year ...* ,1800 Includes A history of British India monthly chronicles of Asian events accounts travel literature general essays reviews of books on Asia political analyses poetry and letters from readers **Catalog of Copyright Entries.
