Edwards,2023-10-02 As a pastor I have seen that most believers have a strong desire to hear from the Lord but many struggle in discerning His voice I am certain that the most direct way that God communicates with us is through Scripture yet many who seek to hear the Lord get discouraged with Bible reading Ironically this is the flaw in most devotional books Readers hear the author s thoughts which occasionally have little connection with the verse pasted at the top of the page What is needed is a devotional guide that gives an example of how to listen for God s voice through a structured Bible reading plan In 2018 I was counseling with a young man who was considering abandoning the Christian faith I asked him if he was reading the Bible daily and he stated that he was but that he did not get much from it I gave him a specific challenge continue reading the Bible daily but text me a verse or two that spoke to him directly He agreed and together we began sharing daily verses with each other Over time we began to share not only the verses but what exactly the Lord said through those verses Within two months this young man renewed his commitment to Christ and within six months he became one of our young adult Bible teachers Chairside Chats with God was birthed from these texts where I shared what God was saying to me through my daily Bible reading These devotionals are built around the One Year Bible reading plan but they could easily be altered to fit with any year long Bible reading schedule This devotional is not intended as a substitute for reading Scripture It is intended to show how God will speak by listening intently for His voice in His Written Word I am confident that God will use this guide to help any believer grow in faith as he or she walks through the Bible **NLT Life Application Study Bible, Third Edition, Large Print** Tyndale,2020-04-07 Trusted Treasured by Millions of Readers over 30 years the Life Application R Study Bible Is Today s 1 Selling Study Bible and a Bible for All Times Now it has been thoroughly updated and expanded offering even more relevant insights for understanding and applying God s Word to everyday life in today s world Discover How You Can Apply the Bible to Your Life Today Now with a fresh two color interior design and meaningfully updated study notes and features this Bible will help you understand God s Word better than ever It answers questions that you may have about the text and provides you practical yet powerful ways to apply the Bible to your life every day Study the stories and teachings of the Bible with verse by verse commentary Gain wisdom from people in the Bible by exploring their accomplishments and learning from their mistakes Survey the big picture of each book through overviews vital statistics outlines and timelines and grasp difficult concepts using in text maps charts and diagrams all to help you do life God s way every day The Large Print editions are for people who enjoy the enhanced readability of larger text Features Enhanced updated and with new content added throughout Now more than 10 000 Life Application R notes and features Over 100 Life Application R profiles of key Bible

 Jette,2018-10-04 Are you struggling with the storms of this life Do you feel overwhelmed with the constant onslaught This
 book is your help to withstand the ambushes of an enemy that wants you to give up your faith At seventy one years of age my

life has endured the onslaught of many storms trials of my faith and through them I have gained insight as to how to overcome This book uses scriptural and personal examples I use a sound biblical foundation to build the chapters Only the word of God can teach the truth that is needed in this trying and overwhelming time that we live in The faith of many Christians is being attacked and they do not know how to rise above This book is compiled as a result of enduring the attacks that have been directed at me by a cunning and crafty enemy It is through the storms assailed against me that I have learned how to surmount the ambushes It is my prayer that my years of endurance will teach others how to do likewise It will take an effort on their part to read the book to the end but they should come away with an understanding of God s love with the knowledge of how to overcome the storms and how to be standing when the storm has ceased **The Daily Walk Bible**

home loved secure nourished accepted and healing every day When we make it a practice to cultivate Jesus presence within us we will feel at home in our inner being instead of being spiritually and emotionally homeless When we cultivate the presence of Jesus and work through key soul care principles and develop a rhythm of a practices that incorporate the spiritual disciplines of feeding on God s Word worship and thanksgiving listening prayer praying scripture and times of fasting and solitude it leads our soul home These practices create an atmosphere that God uses to fill us with more of Himself and His ways The more of God we have the more He guides us to tear down walls of self protection find the truth of who we are in Christ and defeat the attacks of our enemy Satan so that we start walking more as Jesus walked This process brings our soul to the home where it belongs [A Life Worth Living](#) Bernard Sabella,2017-12-14 Amidst a sometimes confusing barrage of news about the Middle East Dr Bernard Sabella a Palestinian Christian offers an enlightening often humorous personal narrative accompanied by reflections on lessons learned from his life in a conflict zone Displaced from his home in infancy with his refugee family and educated in Jerusalem s Old City before pursuing university studies in the US he blossomed into a committed educator scholar member of the Palestinian Parliament and director of a church aid agency Throughout his life Dr Sabella has never lost his focus on the goal of promoting peace through understanding and he has never been diverted from his path of absolute nonviolence A Life Worth Living speaks with a voice worth listening to alternately anecdotal and analytical touching our hearts while pondering the past present and future of the Holy Land
