My Loving Enemy:

Love Your Enemies Sharon Salzberg, Robert Thurman, 2023-08-01 Coping with anger and pain is more challenging than ever in these times and more necessary Two acclaimed Buddhist teachers offer strategies and wisdom in a book that s been called possibly the most inspiring and liberating meditation on love ever written When people and circumstances upset us how do we deal with them Often we feel victimized We become hurt angry and defensive We end up seeing others as enemies and when things don't go our way we become enemies to ourselves But what if we could move past this pain anger and defensiveness Inspired by Buddhist philosophy this book introduces us to the four kinds of enemies we encounter in life the outer enemy people institutions and situations that mean to harm us the inner enemy anger hatred fear and other destructive emotions the secret enemy self obsession that isolates us from others and the super secret enemy deep seated self loathing that prevents us from finding inner freedom and true happiness In this practical guide we learn not only how to identify our enemies but more important how to transform our relationship to them Love Your Enemies teaches us how to break free from the mode of us versus them thinking develop compassion patience and love accept what is beyond our control embrace lovingkindness right speech and other core concepts First published in 2013 Love Your Enemies is more than ever required reading for navigating our world Throughout authors Sharon Salzberg and Robert Thurman draw from ancient spiritual wisdom and modern psychology to help you find peace within yourself and with the world Includes new prefaces from both On Love and Mercy Stephen Mattson, 2021-11-09 A hopeful and Christ centered devotional for Christians who authors know social justice to be a good and holy endeavor On Love and Mercy is a 60 day devotional that invites readers to expand their vision of both personal faith in God and the redemptive and saving work of social action Breaking down the premise that Christians must choose between being either socially conscious or theologically sound author Stephen Mattson offers the hopeful message that Jesus and Christianity is both Each day s entry offers Christians who long to see justice and equity within society with a much needed source of affirmation solidarity and encouragement These heart felt devotions bring readers hope and encouragement to embrace social justice as the Christ like discipline that it always was and is meant to be On Love and Mercy validates social justice practices within the Christian faith by centering the example of Jesus as the ultimate standard Although our religion will fail us Jesus never will He walks alongside us in living out God's commands us to love our neighbors to the best of our ability Step into this journey and discover anew what it means to be devoted to Jesus Divine being and its relevance according to Thomas Aguinas William J. Hoye, 2019-11-26 Aguinas theology can and justice be understood only if one comes to grips with his metaphysics of being The relevance of this perspective is exhibited in his treatment of topics like creation goodness happiness truth freedom of the will the unity of the human being prayer and providence God's personhood divine love God and violence God's unknowability the Incarnation the Trinity God's existence theological language and even laughter This book endeavors to treat these questions in a clear and convincing language Is
