Banished Citizens Marla A. Ramirez,2025 From 1921 to 1944 the United States removed approximately one million ethnic Mexicans mostly women and children who were US citizens across the southern border Marla A Ram rez explores the

lasting effects of repatriation on banished women and their descendants who acted with resilience in their efforts to reclaim citizenship and return home "Marry for Money, You'll Learn to Love Later!" Roger J. Geronimo, 2006-05-25 This is the incredibly interesting story which describes the unbelievable mistakes we make in life how we cope with them into the future and what are the lessons learned from this thing called life The story is mixed with a sense of sarcastic humor but always stressing the benefits of humor It is also a story of hope and encouragement as the author fights a battle that his dad his hero lost to Parkinson's disease Here's the Forward What is life really all about Why are we here Is there any purpose to our existence These are questions that have been asked over and over again for centuries and centuries Well I believe I have found the answer now that I am totally broke and deteriorating thanks to Parkinson's disease Gee thanks guys The sarcastic sense of humor in me concludes the following about our existence here on planet earth LIFE IS A BITCH THAN YOU MARRY ONE TWO IN MY CASE AND THEN YOU DIE Guess I'm just waiting for the arrival of the Grim Reaper himself However the real me has slowly discovered that we are all on a journey here on earth The journey is intended not to be an easy one It is intended for us to learn from the decisions we make using our free will There is much pain suffering disappointment hurt anger and sorrow And hopefully forgiveness There is no hell I believe You are living it everyday the good and the bad A lot more bad than good What is it all for It is for all of us to learn and to grow as human creatures and to eventually flourish in a place where we will discover peace love harmony Where In the hereafter In that warmth of the Light we hear so much about from people returning from the dead In my mind that Light is better known as God That is our eventual reward for everything that is tossed our way here on earth If we learn our lessons well here than we shall be that much closer to the warmth of the Light in the hereafter If we learn little and cause much pain and anguish to others than we shall be the farthest from the Light but always given opportunities to proceed forward We do this by realizing our indiscretions and asking for forgiveness for our actions on earth when arriving in the hereafter and then performing duties and working toward the Light Boy do I hope I am right about this Believe it or not I actually look forward to being greeted someday by my loved ones and all the pets in the hereafter I got along better with my pets than with some of my crazy relatives and friends So in the chapters that follow I will allow you to make your own judgments As you read on and we share the good times and the pitiful times always with a sense of humor I hope I will honestly try to elaborate on the Lessons Learned from this journey that has been all too short Perhaps through me you can make adjustments and just perhaps not do the same stupid things that I have done so many times in the last half century **Money Pizza Respect** The Fat Jew, 2015-11-03 From the creator of the hugely popular thefatjewish Instagram comes an outlandish collection of hilarious personal essays and images which might be the most ridiculous book in the history of arts and letters If Steven Seagal and Barbara Streisand had drunken sex and conceived a baby boy he would have show business chops and be proficient in martial arts That boy would become Josh Ostrovsky often known as The Fat Jew Born and bred in New York City Ostrovsky's overbearing mother entered him into the biz as an 8 year

old with exquisite cheekbones and the singing voice of an angel He appeared in a plethora of television commercials and after his child acting career fizzled Ostrovsky took 20 years away from the limelight to focus on finding himself eventually opening a yoga center in Toronto and receiving his MFA in pottery at Middlebury College JK he mostly just did drugs But in 2009 when social media became a thing he triumphantly returned to a life in the spotlight He exfoliates daily plays the harp bakes his own croutons for every salad he eats once saved a baby deer with a broken leg who had fallen into a stream and speaks fluent Portuguese With an army of followers on social media that often border on fanatical and creepy he is a rising star whose backup plan is to marry Suri Cruise when she s of legal consenting age Channeling the brilliance of his online presence Money Pizza Respect rolls out one ludicrous story after another from puking on his grandfather after a debaucherous drunken night to saving his deaf neighbor from a burning building to hiring prostitutes for the sole purpose of reenacting scenes from Mel Gibson s Braveheart In this the next milestone of his glorious life Ostrovsky will attempt to reinvigorate the dying medium of print Writer Plus Size Model Horseback riding enthusiast Instagram Legend Josh Ostrovsky The Fat Jew *Cocked & Loaded* Richard Broom,2010-03 From early childhood Richard Broom s life was a series of bad decisions and destructive behaviors fueled by unloving parents This upbringing contributed to the repressed anger lack of control and self loathing that sent him down a path of self destruction At age fourteen Broom found solace in self medicating with alcohol and continued a downward spiral to the night he was arrested for murder murder he couldn t even remember committing during an alcoholic blackout *Mover and Shaker* Kathrine Dana Shaw with Cynthia Shaw Bowers,2023-05-08 A frank and inspiring story about a remarkable woman Kathrine Dana Shaw the closest and oldest living relative of Richard Henry Dana Jr who wrote the world s best seller book Two Years Before the Mast and established maritime law to protect abused sailors from cruel captains at sea Kay encouraged by the Danas to seek a writing profession chose instead to pursue a life in acting which she thought would be the solution to save her mother siblings and herself from abject poverty During Kay s childhood she witnessed time and time again God s miraculous provision through trees which Kay could climb and throw down nuts or fruit for herself and hungry siblings below fallen branches she burned for warmth leaves to obscure her body from a wicked stepfather and God s care through kind neighbors strangers and family members who came to the rescue when she had no other options Like her uncle Ross Ilif Dana an astute businessman newspaper editor politician and civic and religious leader who adopted Kay after her mother died of pneumonia and mentored her in publicity public relations and successful business development Kay gives God the credit for giving her the opportunity as a teen to work in the newspaper construction and camping rental businesses owned by her uncle which prepared her for future business endeavors As a young woman living in Orange County California with confidence being business savvy and having a contagious smile she stepped into a man s world ready to leave her own mark in business Kay s first business Cathrine Coleman s Charm School provided the catalyst to meet Mr Walter Knott owner of Knott s Berry Farm Buena Park California Walter Knott recognizing

immediately Katherine's knack for publicity offered her employment at Knott's. Kay flatly refused and told him I only want to work for myself. After giving Kay a personal tour of the Bird Cage Theatre he asked for her honest opinion of the show. She told him frankly The actors are amateur and I can bring in a professional cast that will enable the theater to make money. Walter believed in Kay's ability to publicize and produce and allowed her to lease the theater. Kay true to her word brought in a seasoned cast including Dean Jones pre Disney whom she knew from the Drunkard on Hollywood and Vine California and Skip Young. Ozzie and Harriet Kay attired in her Spanish dress twirled stomped her feet and danced Flamenco to draw crowds in front of the Bird Cage Theater. Kay's first play she publicized and produced Streets of New York was a smashing success. Kay named the troupe The Birdcage Players. Many more successful shows followed. Later Kay met her husband C. Fulton Shaw owner and operator of Old MacDonald's Farm at Knott's Berry Farm where Kay developed another business The Party Garden with a children's marionette theater. Kay was off and running and brought in newspaper radio and television publicity to gain public recognition for the Berry Farm. With Kathrine's love of historical films she decided to help produce the film The Real Story of the Civil War directed by Louis Stoman which won an Oscar in 1957 for Best Short Film. Kay continued to develop her writing skills as her uncle Ilif Ross Dana had hoped and wrote directed and produced plays for her community in San Juan Capistrano California. Kay following in her famous Dana family's footsteps began to lead in political civic and religious endeavors. Kay's story will encourage women the downtrodden and poor to branch out and trust God to pull the ox out of the mire and provide provision and a path to new beginnings.
