My Moments With God:

My Moments with God Merline Rapley, 2018-09-24 My Moments with God is poetry and words of wisdom received from God while reading his Word **My Moments with God** Sheila R. Smart, 2016-12-21 Gods creation of man in his image is a deep expression of his love for us We should reciprocate by spending quiet moments with God and not become enslaved to the things of the world My Moments with God is not only a collection of personal prayers that touch the challenges and hurts of life but a valuable treasury of Gods response to our sufferings My Walk with God Drew Maye Scales, 2014-08-22 In her autobiography My Walk With God the author D M Scales talks about many things Foremost she talks about her life and growing up in the South during the oppressive sixties era Basically this was during the civil rights movement which was a product of inequality along with Jim Crow and Brown v Board of Education Importantly this was when many blacks wanted to obtain equality Here this writer talks about how being black and poverty stricken during the dark sixties posed serious problems for her as a youngster Typically educated as well as uneducated black Americans were subservient to Jim Crow laws In contrast in our society today blacks have now become better educated but this writer alludes not much has changed The expression not much has changed is further exemplified for the reader throughout this autobiography Drew exemplifies this when she says oppression and discrimination both existed during the sixties and in the Jim Crow era and yet cohabitates in our society today **True Moments with God** Zahid Khan, God gave birth to love Love has seen such a time in the past of the dark eternity when there was no one to feel it There was no one who wanted to get to know love and no one who wanted to say something about love No one could have an opinion about anything because there were neither angels and human beings nor any other creations existing There was no one who could say and no one who could listen something about love There was absolute silence Even there has been such a time when not even a concept of love was existing There was only one who could give birth to love life and beauty It was God our beloved Heavenly Father I was a small child when I got to know God God travelled together with me in countless heavens In this book I have revealed my observations and experiences with God so mankind can recognize who God really is Throughout human history the ignorance of mankind has brought many invisible curtains between God and human beings However our present time is significant that morning is near to take over this deep dark night This book will give you a deep understanding about who God is and our purpose of life

My Moments with God Mary E. Ratliff,2004-05 Mary Ratliff grew up in Detroit MI and currently resides in Macomb Township MI She has raised five children and takes care of her husband who is a stroke victim While recuperating from an illness herself GOD touched her mind and from that she created the words for this book *Beyond My Moment of Truth* David T. Gilbert,2012-02 After completing my first book I sat down and took notes of what was learned from what I did and I must admit that I had learned an enormous amount of information about publishing There were things to consider like preparation of work presentation of poetry promotional strategies etc and still having Parkinson s Disease didn t do me any favours But as I have always stated you can t keep a champion down and with my God being so gracious in more ways than I am able to acknowledge I press on with my quest to try and give as many people as I am able a solid even chance of salvation My style of poetry may be somewhat unusual maybe a bit out of the ordinary but I have always tried to make my work as appealing as I can to as many as there are who love the simplicity of my work I have tried to reduce the introductions of each poem to a minimum but I still value the introductions as they help to bring clarity to the point that I am attempting to put across and therefore very few misunderstandings and upsets are made It must be emphasized that my poetry expresses mu point of view on subjects written about how I actually see things from my angle you may see differently or may even disagree but no matter what I have designed my work specifically with the task of getting people to open up about the topics I write about because there is nothing like a good open debate to allow people the opportunity to communicate with each other and so open up a door for an opportunity to present all with a chance of salvation As I wrote in my last book my

primary objective is the saving of souls and by presenting my work in such a simple way I may assist people to realize that Jesus died for all and so salvation is also for all who dare to believe

Amatoria Jason Potter,2022-01-04 Amatoria is partly a disclosure partly a veil and partly a revelation incorporating the poetic discovery of God as experienced by the living and the dying alike Man knows nothing of death and love until he is clothed in such yet God is always willing to facilitate the transport of life out of one and into the other Amatoria is sublime in its obscurity It has been well said that the devil led the author a little way farther up in the medulla of the brain But it is enough to know that in the self indulgent disorder of the 21st century God still kills the old way
