*The BBC's management of risk* Great Britain: Parliament: House of Commons: Committee of Public Accounts, 2007-12-06 This Committee of Public Accounts report on The BBC s management of risk sets out a number of recommendations on dealing with risk and what the BBC s Executive Board should implement Risk comes in different forms from the risk of damaging the Corporation s reputation as a public service broadcaster to personal risk staff can experience when reporting from dangerous parts of the world This report follows on from a National Audit Office report of the same title and is available from the NAO website [http://www.bbcgovernorsarchive.co.uk/docs/reviews/nao\\_riskmanagement.pdf](http://www.bbcgovernorsarchive.co.uk/docs/reviews/nao_riskmanagement.pdf) Among the recommendations are that BBC guidance needs a clearer delineation of responsibilities for risk management that the main themes of risk management are not aligned with corporate objectives that the BBC should update its assessments of the risks of working in hostile environments as the abduction of journalist Alan Johnson showed by failing to comply with its own Broadcasting Code the BBC was fined by Ofcom over the a live phone in competition on Blue Peter and illustrates that some programme makers are ignoring the BBC s own editorial guidelines exposing the corporation to reputational risk the BBC has not related its risk to corporate objectives or assigned all risks to named owners that BBC managers at all levels are not sufficiently engaged in the management of risk there is still no fully satisfactory regime under which the BBC is accountable to Parliament for the value for money with which it spends licence fee payers money

**The Child Buyer** John

Hersey,2019-09-04 An imaginary utterly absorbing record of the investigations of the Committee on Education Welfare and Public Morality of an unnamed state senate into the activities of Mr Wissey Jones who has come to the town of Pequot on what he says is urgent defense business The hearings develop the suspense of a bizarre trial It soon becomes clear that Mr Jones buys for his corporation children of a certain sort and that he is eager to acquire a ten year old named Barry Rudd who manifests the breathtaking prickly sometimes obnoxious but also deeply moving precocity of a potential genius The dramatic conflicts exposed during the hearing revolve around the questions of exactly why Mr Jones s company buys children and whether he will succeed in buying Barry The Child Buyer is a biting commentary on some aspects of American education on the uses of high intelligence and on the means of defending democracy Mr Hersey makes fine use of the classical weapons of satire humor and high spirits sweet dream and nightmare grotesqueness in the heart of normalcy to attack not any single theory of education but the notions that education can be an exact science that superior minds can be set free by a national crash program that children can be regarded as weapons and that talent can be processed and stored for profit and defense Although these extraordinary hearings end in a kind of horror involving the slide into corruption or rascality or apathy of almost everyone connected with them nevertheless the book leaves in the reader s mind a powerful affirmation a case for individuality freedom of thought integrity faith in the young and above all a better understanding of human needs in a darkling world     The Girl With The Broken Family Sashly Lewis,2023-03-19 Charlie Brown a 17 year old teenager gets kicked out of her home after a tragic incident that took the life of her father With the burning agony of facing an ignorant mother plus a combination of pain and guilt Charlie is forced to move in with her Aunt Rebecca from Clarksville to Orange Hill thereby leaving her twin brother Carter behind As Charlie moved in with her aunt Rebecca her aunt takes up her sister responsibilities in being the mother figure in Charlie s life Since her sister Munchy couldn t be a good influence in Charlie s life The main reasons Munchy hates Charlie is because she reminded her of her husband she arranged to murder and she reminded her of herself when she was growing up Charlie then faces changes and challenges in her once little almost perfect life but then her world comes crumbling down slowly One day she accidentally crosses paths with her father whom she had loved the most The man she had believed died in a car crash and had left her completely Why did Munchy want William her husband dead so badly How on earth is William not dead after Munchy arranged his death How does Charlie feel inside after hearing that her father was dead what did Munchy say or do to make Charlie move to her aunt house Read to find out what happens to Charlie and to know the answers to the questions above     *My Grumpy Werewolf Boss Collection 1 (Books 1-3)* Drusilla Swan, This collection contains books 1 3 of the My Grumpy Werewolf Boss series BOOK 1 Billionaire Wolf Needs a Nanny Lacey has bigger dreams than being a nanny for the Discreet Talent Connections Agency but rent needs to be paid and desperate times call for desperate measures Besides the job is only supposed to last one year and the financial reward will make it possible for her to fulfill her dream of publishing her novel The little girl she is in charge of is wild but sweet The
