The essential guide to parenting adopted and foster kids learn to create felt safety, heal attachment trauma, and navigate challenging behaviors and triggers. As a parent, learning how to heal attachment trauma, attune to your child's needs, identify triggers, and create felt safety is essential to providing the loving, supportive, and stable home they need to thrive. Written for parents of adopted and foster kids of all ages, this book offers resources for handling common concerns like sleep issues, food sensitivities, anger, fear, and reactivity.
