Muted Rachel Helzer, 2023-11-20. She lost her mom, her infant brother and her twin and if that's not enough she lost her voice. Therefore it was only natural that after this happened she would lose her faith in God as well. Nonetheless the world continued around Mirda forcing her to adapt. Hurting in ways no one could understand she went through life just getting by. Little did Mirda know that God wouldn't let her slip away so easily. Read Mirda's story as she rediscovered not only her faith in God but also her faith in herself with the help of her best friend, her father and the love of her life. *Elements of Denial - a Memoir of Integration* Maria Russo, 2015-11-30. Maria Russo is a retired Service Manager of Verizon Enterprise Solutions and is now an author of this non-fiction book about her life. Her goals in writing this book are to reach people who suffered from the same psychological challenges as her and the mental health industry. She lived a double life or more precisely a multiple life. She suffered from Dissociative Identity Disorder (DID) also known as Multiple Personality Disorder (MPD). She shares her experiences that brought her to successfully integrate all her identities/personalities into a whole and dynamic woman. Most books regarding this subject focus on people who do not completely integrate. She wants the world to know that it is possible to integrate and stay integrated. She is a delightful woman that fully enjoys life. She believes she was born into her family and lived with extreme abuse in the first eleven years of her life so she could share how to successfully love yourself and the world around you. Join Maria on this journey of hope and healing as she courageously shares her climb from victim to survivor in a gripping yet vulnerable portrait of her life. May this book give its readers the same possibility of seeing miracles in their own lives. Carol A. Meier, M.A., LPC, NCC.
