Troll Poems From My Soul Daniel Clark, 2015-03-11 I love to do things with words and poetry is what comes from such playing with words Most of my poems are just my mind playing with my heart's thoughts Some of my poems come from life experience and others from nature or things that happen in life In putting this book together I found many of my poems are liked for they are written in words that everyone can read and understand I dream one day to hear someone say I read that poem and loved it Nothing would make me more proud than to know my poems touched someone's heart in a good way To write poems and not know if people will ever read them is a sad thought Love is the power that moves the world No matter if it is heartbreak or true passion love has the power to be the strongest influence in our lives Not all my poems are love poems There are also poems of remembrance for the men who have laid down their lives for freedom or in the line of duty So please read my words and enjoy them for what they mean and say to you I would love to be thought of as a man who had love in his soul and touched another's heart in some way
