My Romance:

My Romance Damiano Bivona, 2016-07-27 This is Damiano Bivona's autobiography. Written originally in Sicilian and translated by his daughter in law, an absolutely extraordinary story ultimately unfolded. What wonders this poor uneducated immigrant was able to accomplish in his sadly short life, he passed away in an accident when he was only fifty-one years old. The life story that this beloved grandfather lived was truly unique and profoundly exceptional. A window into history of both Italy and America in this book lives on the spirit of ambition, hard work, and family ties. ***My Romance with God*** Peter Christian Lee, 2013-05 Our relationship with God tends to be complicated because He knows us only too well while we are limited in our knowledge and to our ignorance of God. As a result, our bond with Him strains as it weaves in and out of an ambivalent and whimsical love-hate relationship. This book is for Christians who are confused, lost, and entangled in this intricate web with God. Having our faith constantly challenged, we find ourselves tired and mired in a relationship that seems to be running out of steam. The daily battles we fight to survive are more than we can handle, let alone having to deal with an unpredictable and unfathomable God. *My Romance with God* chronicles an episode in my life that reveals a glimpse of God. It captures pieces of an intangible portrait that paints an enigmatic yet vibrant relationship that can prove overwhelming and yet quenching the thirst and satisfying the hunger of our spirit. Knowing the Word is good. Understanding it is even better. But living it is best because it is only by living the Word that one can truly believe. I know that God spoke to me through these pages. I know that He will also speak to those who read it, but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. Isaiah 40:31 **My Romance with the Himalayas** Madhuri Mandava, 2019-10-06 What follows is a joyous struggle that begins with my love of the Himalayas and ends with my journey towards Enlightenment through the sacred science of Kriya Yoga at the cave of Mahavatar Babaji, the great saint who revived Kriya Yoga after it had lain dormant for centuries. The Himalayas entered my soul when I was young and planted a spiritual seed that has grown in dramatic and unpredictable ways. **Feel My Love** Gail R. Delaney, 2018-08-21 Missy Colton loves the husband she lost, and she sees him every time she looks into the faces of their four sons. Two years after his death, she moves her boys to Oklahoma, her plan to make a good life for her boys. Lee Henry is settling back into civilian life. He's renewing his plans of taking over the family business and diving back into his love of country music. A chance meeting leads to a breathtaking romance that surprises both Missy and Lee. Missy can't understand why a young man like Lee Henry would be interested in a thirty-something widow with four children. Lee commits himself to convincing her age is just a number and he's not just a country boy looking for a good time. Suddenly, forever sounds perfect. Not everyone is thrilled with their apparent love at first sight, the most vocal being Missy's little brother. Will his unsettling anger and disapproval of their affair be enough to drive them apart, or will Lee convince Missy to take a chance on a man who loves her and her sons with all he is? *Feel My Love* is a fictionalized retelling in a contemporary setting based
