MY RUSSIA NO LONGER EXISTS...

My Russia

Ian Pickup

My Russia:

My Russia Adam Zwass, 2002 In the time between 1998 and the publication of this text India held two national elections and began the second phase of economic reforms This work examines these political economic social and cultural developments in India from 1998 to the end of 2000 *My Russia: The Political Autobiography of Gennady Zyuganov* Gennady Zyuganov, Vadim Medish, 2015-04-29 Gennady Andreevich Zyuganov is the leader of Russia's resurgent Communist Party and was Boris Yeltsin's strongest challenger in the summer 1996 presidential elections Although his face became familiar to the world at that time his ideas and his programme were mainly a subject of speculation A former village teacher from Orel Province Zyuganov came to Moscow in the 1980s to work in the ideology department of the Communist Party of the Soviet Union and to complete doctoral work in philosophy at Moscow State University He is a prolific writer who has rebuilt the Communist Party on his vision of a Russian socialist great power Today he leads the Communist faction in the Duma and is chairman of the united opposition movement the National Patriotic Union This volume is a compilation of Zyuganov's writings on Russia's past and present and her place in the world Russia's fate under the new leadership of Gorbachev and Yeltsin his own vision of Russia's future under a new Communist leadership and his reflections on the 1996 presidential election of the Communist Party of the Russian Federation **Russia Under Putin** Andrew Natsios, 2025-07-08 Compelling essays reveal Russia as a declining fragile power that still harbors imperialist ambitions In *Russia Under Putin* editor Andrew S Natsios brings together an esteemed group of scholars to explore the complex duality of Vladimir Putin's Russia As they track Putin's rise from a former KGB officer to one of the world's most powerful leaders these essays confront an urgent global question Is Russia a declining state on an unstable foundation or is it a dangerous revisionist power The book's contributors reveal how Russia despite internal weaknesses that include a shrinking population corruption and economic dependency on volatile oil revenues has become a well armed state intent on undermining the international order Through an examination of Russia's military invasions of Ukraine its increasing reliance on cyber warfare and its internal suppression of civil liberties the authors argue that Russia's trajectory under Putin is both destabilizing and ominous Putin has tried to increase the size of the population through pronatalist policies that failed and so has resorted to annexing neighboring states like Ukraine as a solution to the demographic emergency Meanwhile Moscow has adopted an extreme right wing ultra nationalist ideology that dominates discourse among the elites As the world watches Russia's aggressive foreign policies unfold Natsios and the book's contributors illustrate how the decline of this nuclear armed state presents profound risks to global stability The essays draw comparisons to past authoritarian regimes while offering a stark warning Even a fragile power can wreak global havoc Engaging timely and thought provoking *Russia Under Putin* provides a nuanced view of a country whose ambitions will shape the twenty first century for better or worse Contributors Anders slund Alexandra Chinchilla James S Corum Lynn Corum Nicholas Eberstadt Raymond C Finch III Paul Gregory Scott Jasper Todd
