Library of Congress Catalogs Library of Congress,1983 **Circle of Love** Karen S. Camara,2018-10-31 It was 1956 when Michael and Karen first met as teens in the streets of New York City They were both determined to escape their dysfunctional families buoyed up by dreams of success Their four years as soulmates would have been forever except Michael was addicted to heroin After walking away Karen buried all her feelings from the pure joy of their love to her dismay of drugs as a third partner yet she still lived with the heartbreak of going separate ways When Karen realized her history as a New York City street kid was atypical she wrote a memoir *Songs from the Street A Native New Yorker Comes of Age in the Fifties* She reveals how writing this memoir unleashed powerful memories of her teenage love as well as a curiosity about what happened to Michael after they parted Karen sought closure and describes how she found Michael now clean sober and professionally accomplished Through this reconnection their love was reborn and their life together as soulmates came full circle **Subject Catalog, 1982** Library of Congress,1982 **The Round Table** ,1868 **Bulletin of the Public Library of the City of Boston** ,1921 *Autobiography of an Androgyne* Earl Lind,2023-11-25 Earl Lind s *Autobiography of*

an Androgyne intricately weaves personal narrative with a profound exploration of gender identity in early 20th century America. The book employs a candid introspective literary style merging lyrical prose with poignant social commentary as Lind articulates the complexities of living as a gender nonconforming individual. Set against a backdrop of societal norms and constraints, the work serves not only as a memoir but also as a significant text within the broader LGBTQ literature canon, challenging readers to reconsider rigid notions of gender and sexuality.

Earl Lind, born in the late 19th century, lived through an era marked by stringent gender definitions and societal expectations. His own experiences with gender fluidity, coupled with external critiques and supportive figures within his life, informed this groundbreaking autobiography. Lind's journey is a testament to the courage required to live authentically in a time when such identities were often met with hostility and misunderstanding. This landmark work is essential reading for anyone interested in the intersections of gender, sexuality, and autobiography. Lind's insightful reflections and vibrant storytelling invite readers into a transformative journey that remains relevant today, making it a vital contribution to contemporary discussions on identity.

The War on Sex David M. Halperin, Trevor Hoppe, 2017-03-09 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States. This state-of-the-art collection tells a different story: while progress has been made in marriage equality, reproductive rights, access to birth control, and other areas, government and civil society are waging a war on stigmatized sex by means of law, surveillance, and social control. The contributors document the history and operation of sex offender registries and the criminalization of HIV, as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking. They reveal that sex crimes are punished more harshly than other crimes, while new legal and administrative regulations drastically restrict who is permitted to have sex. By examining how the ever-intensifying war on sex affects both privileged and marginalized communities, the essays collected here show why sexual liberation is indispensable to social justice and human rights.
