Lost Youth Volume 2 London is the follow up to the critically acclaimed bestselling novel Lost Youth Volume 1 New Zealand Here now continues this incredible true life story of one man s life that took him from a lonely prison cell in New Zealand to England bound at the young age of 20 years old Once in London without knowing anyone and with only the clothes on his back he campaigned for the next 5 years of his life for the release of the notorious gangland crime boss Reggie Kray from a 30 year prison sentence What was to come next in the authors life was unexpected as not only did he step straight into the underbelly surroundings of the British underworld one of the most powerful gangland families in British history he too was swept into the world of show business Starting out in the music industry thanks to the kind hearts of two people a lovely Irish lady by the name of Eileen Sweeney and an old school Irish gentleman by the name of Vince Power The author was given work at The Mean Fiddler in Harlesden which at time was the most famous live music venue in all of the British Isles He then went on to making a career for himself going on to working with such names as Michael Jackson Jon Bon Jovi Paul McCartney Tricky Elton John Janet Jackson to name only a few that saw this young man take the correct path in life rather than a life of crime He chooses rock n roll rather than a life spent behind jailed bars He turned his life around for the better and went onto great heights that could never have been dreamed of This book will take you on one hell of an adventure but one you will need to hold on tight as there are many shakes rattles and rolls along the way It is an inspiration to anyone who has ever suffered or given up on their hopes and dreams Its what films are made of Hollywood will be sure to be knocking soon **Woodstock Or The Cavalier** Walter Scott,1897 **Woodstock** Walter Scott,1885 **The Waverley Novels** Walter Scott,1913 **Waverly Novels** Scott,1871 **The Illustrated Waverley Novels** Walter Scott,1878 **(The Waverley novels). On the cusp of memory and history the story of Scotland s twentieth century is contested territory international yet parochial prosperous yet ailing and passionate yet temperate This thematic account of Scotland s twentieth century examines the economic social political and cultural aspects that shaped the country during the period Catriona MacDonald underlines the tensions inherent in the life of a nation distinguished by stark changes and surprising continuities a fragmented identity a shifting and at times uneasy accommodation in the UK nation state and an ongoing engagement with globalising tendencies In identifying the choices ambitions possibilities and contradictions that Scotland experienced during a century of profound change she uncovers a country in which one can truly say extremes met
